

C of C to honor three Saturday

MOKENA — Fellow townsmen of Mokena will honor three of their number Saturday night (Jan. 22) at the Mokena Chamber of Commerce Outstanding Citizens Awards dinner. The dinner will be at 7 p.m. at Lincoln-Way High School. Rabbi Hershman, Joliet, is to be the speaker.

Mayor Will Tuttle, chairman of the event, will introduce the speaker and make the presentation of the awards. The event is open to the public.

Selected as recipients for this year's awards are Harold J. Cooper, Alvin S. Sorenson and Lyman F. Teague. A brief biographical sketch of each follows:

Harold Cooper, 66, was born at Goodland, Ind., March 3, 1905, son of the late Elmer Cooper, whose footsteps he followed in business and politics. The family came to the Mokena area in 1909. The Coopers lived on the Krapp Farm, north of Mokena from then until 1917 when they moved into the village.

Following his marriage to Myrtle Capel, June 4, 1932, the couple bought the house on Third Street, which he still occupies. Mrs. Cooper died June 5, 1971.

Harold Cooper was graduated from the Maue School and the Mokena High School and began his working in 1921 at the Bowman Dairy.

After a year he went to work for his father and Barney Hostert, the Cooper-Hostert Garage and Ford Agency. In 1933 he left Cooper-Hostert and worked for the Ford Motor Company three years. He returned to Cooper-Hostert in 1936 and has been there since. He became a partner in the firm in 1956.

Like his father, Cooper has been a Republican committeeman in Mokena for 16 years and has been a member of the Will County Zoning Board of Appeals for the same length of time but began his political career in 1945 when he was elected town clerk, a post he has held since.

He has been a member of the Mokena Methodist Church since 1931; of Matteson Lodge 175, A.F. & A.M. since 1926; a charter member of the Mokena Lions Club; of the Loyal Order of Moose 40 years; a past clerk of the Modern Woodmen of America of which he is a 30-year member; of the Mokena Chamber of Commerce for 15 years; the Mokena Volunteer Fire Department about 30 years, and president of the Mokena Fire Protection District since it was organized eight years ago.

His sister, Mrs. Florence Niethammer is a former recipient of the Outstanding Citizens Award.

Harold Cooper has two daughters, Dolores, Mrs. Willard Barenz, a teacher in the Frankfort school system, and Marilyn, Mrs. Wesley Sievert, a teacher in the Mokena school system. He has three granddaughters, Janice and Janine Barenz, and Lori Sievert.

In the past 27 years Mokena has had seven mayors, the late Everett Cooper and Harold Spiess, John Scarth, James Marti, Charles Swanberg and the present mayor, Will Tuttle. But during that period there has been but one village clerk, Alvin Sorenson, who has devoted more years than that in civic and community affairs.

He was a charter member of the Mokena Civic Association and chairman of its aud-

iting committee. The late Robert Bechstein was the first president of the Civic Association, which was the forerunner of the park board.

He was Boy Scout committeeman and scoutmaster for many years, Cub Scout Park treasurer, and quite active in Cub Scout work, taking boys on field trips, plane rides, trips to museums and baseball games.

He coached the Mokena town basketball team until WW II began. He also coached St. Mary Grade School basketball teams for a number of years and also coached a basketball team at Tinley Park made up of former high school and college stars from Orland Park, Tinley Park, Harvey and Chicago.

He helped organize and served as first president of the Mokena Little League and laid out and supervised the lighting of the Robinson Softball Field. He also was one of the organizers of the Mokena Men's Bowling League and served as its secretary for more than 30 years.

For two consecutive years in World War II, Alvin Sorenson was in charge of a carnival at the Robinson ballfield. All the proceeds from the affairs were given to the Mokena Women's Service organizations to send treats and items to the men in service.

He was married to the former Rita Gunhouse, Feb. 3, 1940. They have four sons and four daughters, Lawrence, who is married to Yvette DeForest and has a son, Lawrence J.; Robert, Stephen and Allen; Diane, Marilyn, Mrs. John Jakovich, who has a son John Jason; Joan and Patricia.

Alvin Sorenson has been employed by the General Electric Co. in Chicago, for the past 47 1/2 years and will retire March 1.

Lyman F. Teague, the other recipient of the Outstanding Citizens Award, retired in December, 1969, after 42 years with the Commercial Union Insurance Co., but he has been a very busy man since.

He has been a resident of Mokena for more than 20 years and has been elected three times to the village board. His first term was from 1950 to 1954. Re-elected he served two years when he resigned because of being transferred out of the area by his company. He was elected again in 1969 and served until last year when he resigned to take over the duties of village treasurer, the post he now holds.

He is vice president of the Mokena Lions club of which he was one of the organizers when it was formed in 1952. He is a Master Key member and will be elevated to the club presidency this year.

He was a member of the Mokena Grade School board from 1954 to 1961, and served as secretary during his tenure. He also was on the Conference Board of Education, 1968-61 and worked on several school committees including the Junior College survey group. He also aided in the planning and development of Willowcrest School and active in the fund drive for acquiring Mokena Community Park. He had been a member of the Mokena Civic Association from 1949 to 1952.

A member of the Mokena Methodist Church, he served as lay delegate to church conferences, 1958-61 and 1970-71.

New leaders

Will serve Frankfort Chamber of Commerce the current year. New officers take time out from an informal meeting with the Chamber President Herman Fabiani at the Brummer Division of the Borg-Warner Co. of which he is manufacturing manager. The other officers (left to right) are Helen Dopudja, of the Borg-Warner plant, secretary; Jack Rohats, of the Tri-State Cut-stone Co., vice president, and Harold H. Slocum, retired, treasurer.

Chelsea to be completed

FRANKFORT — At the recent meeting of the Frankfort Grade School board Superintendent Leroy M. Olson reported on the overall operation of the educational program in District 157-C and projections for the future. Future plans call for completion of the upper floor of Chelsea School so that next year fifth grade classes can be held there.

The board is expected to reach a decision on completion of Chelsea School, at its next regular meeting, Feb. 14, in the Frankfort School library at Hickory and Oregon streets.

When Chelsea School was built the second story was not finished. Work has been done as money became available in the building and maintenance fund.

Superintendent Olson said that the board might have to borrow a little money for completion of the work, but there will be no need for a bond issue.

Chelsea School now accommodates the first four grades and kindergarten. If the board decides to go ahead with the proposed plan Chelsea will have the first five grades and kindergarten next year.

When the second floor is finished there will be four classrooms to house the four fifth grade sections and a larger, central

area for a learning center. Plans call for operation of two learning centers so that gifted pupils will also be benefited as well as those requiring remedial teaching.

The board voted to join with Arbury Hills, Mokena and New Lenox schools in an agreement that will provide them with movie films for all subjects for use by the Frankfort District through this arrangement. The films will be stored and distributed by the New Lenox District. The Manhattan School has its own films. The schools will buy the films, with each bearing its share. The group will have the alphabetical name of NAMAFA.

The Frankfort board also pledged its support and effort to the other underlying districts of the Lincoln-Way High School District relative to developing a common formula to be used with prospective land developers to obtain sites or financial assistance.

The board also approved a band program for next summer. Information on this program will be sent to parents in the spring. Neal Milner, Mokena, was hired as the night custodian for Chelsea School.

The board also adopted a resolution designated April 8, as the date for the board election. There will be three full

terms (three years) to be filled and an unexpired one year term.

Board members whose terms expire this spring are Melvin Eisenbrandt, James Knippel and Fred Thompson. The one-year term was brought about by the resignation of Donald Carter because of his transfer out of the district. For the past year the place has been filled by Ronald Ball, through appointment by the board, until the 1972 election.

New Lenox collegian dies

NEW LENOX — A memorial mass was sung in St. Jude Church at 10 a.m. Saturday, Jan. 15, for Kenneth Braam, 18, of 1242 Green St. He was fatally injured in a highway crash last Thursday night, Jan. 13. Braam was a student at Marquette University, Milwaukee.

According to Jerome P. Schuetz, chief deputy sheriff of Lake County, Mr. Braam's car collided with a semi-trailer on Illinois Highway 173 and U.S. 45, just east of Antioch, in Lake County.

According to Chief Deputy Schuetz, Braam was driving west on 173 and apparently failed to stop for a red light at the intersection of U.S. 45.

Driver of the truck, John D. Downey, 38, of 128 Glendale Ave., Buffalo Grove apparently was uninjured. He was not ticketed.

Mr. Braam was survived by his parents, Mr. and Mrs. Warren Braam, and two sisters, Joann and Janet, all of New Lenox.

Destructive fires come with frigid weather

Not at home

A fire, for which firemen blamed an overheated stove, destroyed the trailer-office of Becker Construction Co. last Friday afternoon at the site of the retirement home that is being built at the west end of Bowen Street in Frankfort. No one was in the office when suddenly fire swept the trailer. According to witnesses two fire balls, which appeared to be at least a foot or more in diameter rose from the flaming wreckage and exploded in the air.

Understuffed chair

Fire of undetermined origin broke out in the home of Clayton E. Tyner at 1131 N. Cedar Rd., New Lenox, about mid-morning of Jan. 11. Mr. and Mrs. Tyner were both at work when the fire broke out. Fire Chief Ed Falck estimated the damage at approximately \$3,500. Firemen tossed the burning overstuffed furniture out of doors. Owner Tyner inspects some of the wreckage.

No change, for St. Michael's busing

By Gertrude Gallagher

ORLAND PARK — The message was "no change in policy" regarding busing District 135 children to St. Michael school.

The topic was brought up by School Board Member Joseph Cistaro who said the only thing preventing District 135 busing those children legally eligible is the school board lawyer's opinion that it is not legal.

Cistaro added that attorneys for the State Superintendent of Public Instruction have a different interpretation and have said that it is legal.

"If there's anything we can do, we should go ahead and do it," said Cistaro. It was his opinion that the legal opinion of the state office should supersede that of the board's attorney Franklin Klein of the firm of Klein, Thorpe,

Kasson and Jenkins.

St. Michael parents who have previously been denied busing for their children by District 135 are investigating the possibility of legally pursuing their request. They are presently seeking support from other south suburban schools who may be having a like problem with their school districts. They also would like to interest the Archdiocese of Chicago in aiding them.

The other five board members present disagreed with Cistaro citing a number of reasons. Lee Harbison and Mrs. Ronald Noteboom said they had promised to uphold the Constitution when they took office and they believed busing St. Michael children would be illegal.

President Harry Kaper said using the money of District 135 taxpayers for this purpose would be giving an advantage

to taxpayers in other adjoining districts such as District 118.

It was pointed out to Kaper that the individual parent of a child attending St. Michael contracts with a private bus agency such as Illinois School Bus Company or Clark School Bus Company. The company bills the parent directly and the parent pays the bus company directly. If the bus company is not paid, the child does not ride. The school has no part of the busing arrangements.

Member Robert Smith voiced the opinion that the board would immediately be faced with a taxpayer's suit if it provided busing to the Catholic school children. Cistaro replied, "I feel if we do something that is morally right and somebody wants to sue us, let them go ahead and sue us."

School Superintendent Norbert Jerling added that the amount of money the public school district receives to defray the cost of busing is now more than it was three years ago.

The money a district receives for busing is determined by a formula set in the Illinois Revised Statutes and can be as much as 50 per cent of the cost. Board members appeared to realize the number of St. Michael children eligible for busing would be relatively few. As with public school children they would have to live 1 1/2 miles from the public school.

St. Michael parents are asking for a guaranteed ride for those children in the district who qualify under the law.

Feelings have run high because District 135, upon advice of legal counsel, has

denied their claim. They seem to question why, when other school districts afford this service legally, their school board chooses to accept the legal opinion that denies their children bus service. They point out their tax money is used primarily for the public schools.

Kaper said there was a lawsuit now pending regarding the legality of busing. (See separate story). The suit is being brought by Oak Forest School District No. 142 against the Office of the Superintendent of Public Instruction and the Cook County School Superintendent.

The attorney for the school district is Franklin Klein. Klein has long been

an outspoken foe of any form of public aid to parochial schools. A long time resident of Blue Island he now lives at 143rd Street and 76th Avenue in Orland Township. He is the attorney for several school districts in the southwest suburbs including District 118, 230 as well as 135 and 142.

The fifth member of the board who was present was Earl Fuller. Board member Tom Charnogorsky was absent.

The board agreed to await the outcome of the lawsuit and not to accept Cistaro's suggestion. Harbison said if District 142 loses the suit, "I'll be the first to move to grant busing to St. Mikes."

Here's state busing law

The following are the Sections in the Illinois Constitution and the Illinois Revised Statutes which appear to be the core of the school busing disagreement.

Illinois Revised Statutes

Chapter 122, Section 29-4

The school board of any school district that provides any school bus or conveyance for transporting pupils to and from the public schools shall afford transportation, without cost, for children who attend any school other than a public school, who reside at least 1 1/2 miles from the school attended, and who reside on or along the highway constituting the regular route of such public school bus or conveyance, such transportation to extend from the homes of such children or from some point on the regular route nearest or most easily accessible to their homes to and from the school attended, or to or from a point on such regular route which is nearest of most easily accessible to the school attended by such children. . . . If any such children reside within 1 1/2 miles from the school attended. The school board shall afford such transportation to such children on the same basis as it provides transportation for its own pupils residing within that distance from the school attended.

Constitution of Illinois

Article VIII, Section 3

Neither the General Assembly nor any county, city, town, township, school district or other public corporation, shall ever make any appropriation or pay from any public fund whatever, anything in aid of any church or sectarian purpose, or to help support or sustain any school, academy, seminary, college, university, or other literary or scientific institution, controlled by any church or sectarian denomination whatever;.....

Demos slate area woman

TINLEY PARK — Natalie M. Johnson, 168th Street and Kilpatrick Avenue, has been selected for a slate of delegate-candidates from the Fourth Congressional District who will be listed in the March 21 Democratic Primary, according to William J. Rosendahl, Illinois coordinator for Senator George McGovern.

The full slate of six delegates and two alternates, according to Rosendahl, is in full compliance with McGovern Commission guidelines regarding representation by women and minorities.

Mrs. Johnson, married and the mother of five children, is director of the Orchard Hill Farm Elementary School. She has been a member of the board of high school District 228 for six years, and program chairman of both Tinley Park Women's Club and South Suburban Branch of the American Association of University Women.

Her husband, Leslie, was 1968 chairman of the South Suburban Citizens for Humphrey and is a precinct captain in the Bremen Township Regular Democratic Organization.

Rosendahl also said that two leading Illinois legislators, Tony Scario and Lee Rayson have agreed to be honorary co-chairman of Senator McGovern's effort in the Fourth Congressional District.

Rayson is seeking his fifth term as state representative and Scario, after eight terms as a representative, is seeking a state senate seat.

Tinley, Oak Forest study water

By Jean Wille

TINLEY PARK — Village officials and engineers from Oak Forest and Tinley Park recently had a joint meeting regarding the two villages' desires to obtain Lake Michigan water through a contract with the city of Oak Lawn.

Oak Lawn will be installing the water mains to the villages. Present proposals call for the installation of a 4,000,000 gallon reservoir and pump station at 159th and Harlem, to service Tinley Park.

Tinley Park presently has one reservoir with a capacity of 275,000 gallons while the Tinley Park Mental Health Center (183rd and Harlem Ave.) has a 500,000 reservoir. (Tinley has a hook-up to the hospital for water emergencies.)

According to Trustee Richard Durkin, Tinley's three shallow wells have proven very unpredictable. It has been necessary to dig the three deeper which has resulted in a lesser amount of water.

Tinley's internal water system changes will be paid for by revenue bonds. (These bonds are paid only out of the water rates.) Home developers have also agreed to assist in the financing.

Oak Forest, according to Trustee Dennis O'Connor has seven wells. One of the wells is a deep well (1800 feet) and six are considered shallow well (300 - 500 feet.) They also have a 3,000,000 gallon reservoir and will not need any internal improvements except

for some minor modifications which will be financed through current revenue.

Oak Forest is presently paying a higher rate for water (\$9 per 10,000) than Tinley Park (\$6 per 10,000) due to the recent installation of the reservoir and maintenance of additional wells.

Although Oak Forest's water supply is adequate, O'Connor said that two well-motors overheated during peak periods last year.

The main reasons that the village is attempting to obtain Lake Michigan water are the long-term supply unpredictability and the cost to the residents of water softening processes.

According to O'Connor, Oak Forest could follow one of five plans; joining Mid-Mark Water System in obtaining Lake Michigan water; installing their own lines for Lake Michigan water; maintaining the present system; increasing the number of wells; or the present contemplated plan through Oak Lawn.

Durkin and O'Connor both spoke favorably of the meeting and expressed satisfaction with village agreements.

The two trustees, village engineers, and involved committees were commended by an Oak Forest citizens advisory committee for the time spent on the water programs of the two villages.

Pat Villilo captain of scout drive

SOUTH COOK COUNTY — Pat Villilo, Palos Park, has accepted the position of area "B" captain for the South Cook County Girl Scout Council's first sustaining membership enrollment drive.

This fund-raising campaign will supplement support given through various Community Chests and by the spring cookie sale.

Working with Villilo will be Richard Kristinat, Tinley Park; Richard Finlay, Oak Forest; Eugene Simpson, Palos Heights; Grant Lewis, Blue Island; Mrs. Gloria Tullis, Midlothian; and Rollin McCormick, Markham. Other towns included in area "B" are Alsip, Robbins, Crestwood, Posen, Palos Park, Orland Park and Calumet Park.

Police arrest 3, find revolver

TINLEY PARK — An incident involving three Rock Island Railroad passengers and the discovery of a 32 caliber revolver was turned over to the Cook County Sheriff's Police Wednesday, Jan. 12, by the Tinley Park Police.

Rock Island conductors, J. D. White and W. L. Kelly, notified Tinley Park Police to meet the train enroute to Joliet at the Tinley depot after a female passenger reported a male passenger had a gun.

After receiving the message, additional patrol cars were sent to meet the train. Police Chief Kenneth O'Brien, Sgt. Robert E. Guest and officer Alan Bechtel entered the train where they found three men tentatively described by the conductors.

A gun wrapped in a black raincoat, was found by Officer Bechtel in the car's upper compartment area.

The three men were taken to the Tinley Park Police Station for questioning and have been tentatively identified as Kenneth Moore, 642 W. 76th St., Chicago; Kasper L. Robinson, 9423 S. Racine, Chicago; and David Brown, no address.

In a statement given to Chief O'Brien by the woman, the three men boarded the train together at the Blue Island Station where she was also awaiting the train. One of the men sat next to her and it was then that she noticed a gun. Upon viewing the gun she became alarmed and notified the conductor.

Rock Island Railroad Agent D. Ziesmer signed a complaint against the subjects for disorderly conduct. Moore was charged with unlawful use of a weapon.

The offense occurred outside of municipal limits of Tinley Park, so the Cook County Sheriff's Police Department was notified and took the men into custody.

This advertisement is neither an offer to sell nor solicitation of offers to buy any of these Bonds. The offering is made only by the Prospectus.

Blotter

Police nab speeder

Tinley Park

Jan. 13 — John G. Bechan, 21, of 16415 S. 66th Ct., was charged by police with reckless driving, speeding and attempting to elude a police officer.

Officer C. R. Montgomery received a call of a speeding car in the Bremen-Towne Theatre parking lot, and when he arrived at the scene he noticed a gold 1972 Camaro spinning and sliding in the lot.

The officer attempted to stop the driver by turning on the squad's red lights and siren but Bechan disregarded the warnings and proceeded onto 159th Street and drove east.

Montgomery chased Bechan south on Oak Park Avenue to 163rd St., where he radioed Oak Forest Police for assistance.

The chase finally ended with Bechan driving into a field at 163rd Street and Ridgeland Avenue where he was apprehended by two Oak Forest police officers and Montgomery.

Bechan, who was released on \$50 bond, will appear in court March 8.

Jan. 13 — Gloria J. Rodgers, 6320 W. 177th St., suffered cuts and bruises to her mouth and chin, when the car she was driving slid into a traffic signal at 183rd Street and Harlem Avenue. She was charged by police for unlawful damage to state property and driving too fast for conditions.

Jan. 13 — Police issued two tickets after an accident occurred at 175th Street and Harlem Avenue. Larry Crump, 15215 S. 8th Ave., Harvey, was charged for failure to yield the right-of-way; and Kathleen McMahon, 14837 S. Kostner Ave., Midlothian, was charged for driving too fast for conditions. Both will appear in court Feb. 9.

Jan. 13 — Dennis Carter, 20, of 9220 W. Ethyl Lane, Tinley Park, was treated at South Suburban Hospital for injuries incurred after being involved in an accident at 7600 W. 159th St.

Robert Flassig, 16124 S. 76th Ave., told police he was attempting to make a right turn when his vehicle stalled. By the time he got the car started and began to back up, his car was struck by Carter's car.

A third driver, Patricia Pressley, 16127 S. 76th Ave., told police that Carter tried to swerve his car to avoid hitting Flassig's vehicle.

Jan. 13 — What would have been a routine traffic stop by police turned into more serious charges against Salvatore Buccini, 7312 W. 170th Place. While on patrol police officers stopped Buccini for travelling too fast for conditions. Further police investigation found Buccini did not have a valid state license in his possession and he was in violation of registration of state license plates. Buccini will appear in Tinley Park Court March 8.

Tinley Park Fire Department Calls

Jan. 9 — The department administered oxygen and first aid to Victor Struppa, 7601 W. 163rd Place. He was taken to South Suburban Hospital by private ambulance.

Orland Park Police

Jan. 13 — Ice may have caused a collision between the car of Romaine McCarthy, 833 W. 145th Place, and that of a bus driven by Adeline Petrossi, Palos Park. The accident occurred in the Orland Park Shopping Plaza.

Jan. 11 — Two Chicago residents, Ian Grant and Mary Wick ran afoul of each other as they attempted to pass construction cranes on Southwest Highway. When Grant backed up to go around the crane he collided with the Wick car causing an estimated \$200 damage.

Jan. 13 — Police were called to check a low flying helicopter over Route 45 and 147th Street. There was no identification on the craft which was even with the telephone poles.

Jan. 13 — Donald Greene, Markham, reported finding a toboggan which fell off the car at 141st Street and Route 45.

Orland Park Fire and Ambulance Calls

Jan. 7 — Josephine Terrell, 82, was taken to Saint Francis Hospital.

Jan. 7 — Suffering an asthma attack Janet Aldrich, 15924 Havon, was taken to Christ Community Hospital.

Jan. 8 — A victim of a hit and run Mike Homering, 9715 Ravinia Court, was taken to Christ Community Hospital with a possible broken leg and head injuries.

Jan. 8 — Units answered a call to strike a fire on a roof of a house under construction at 16766 S. HiView.

Jan. 8 — With a possible reaction to medication, Kenneth Nelson, 16741 S. Robinhood, was taken to Christ Community Hospital.

Jan. 8 — The tanker truck was sent to assist Palos Park at 103rd Avenue and 125th Street.

Jan. 9 — Phillip Rauch, 82nd Avenue, was taken to Little Company of Mary Hospital with emphysema.

Jan. 9 — The inhalator took Cindy Catoire, 14602 S. Aspen, to Saint Francis Hospital with stomach pains.

Jan. 10 — Baby Laura Messmer, 15140 S. ElCameno Terrace, was taken to Little Company of Mary Hospital after swallowing Borateem.

Jan. 11 — Pat Sloat, 9016 W. Poplar, was taken to Little Company of Mary Hospital from the Junior High with an eye injury.

Jan. 11 — An empty house on fire brought units to 135th Street and Southwest Highway.

Jan. 12 — Peter Antosh, 9047 W. 147th St., was pronounced dead on arrival at Saint Francis Hospital.

Jan. 13 — Mary Niegocki, 14405 S. Ravinia, was taken to Christ Community Hospital with a possible broken arm.

Oak Forest

Jan. 9 — Police reported a gas leak at 15451 Tudor.

Jan. 9 — Vandalism removed 15 boards from a fence at Margie Lane.

Jan. 9 — The bulbs of tail lights were removed from a car parked at the Rock Island Railroad Station.

Jan. 10 — Our Savior Evangelical Lutheran Church, 5940 W. 159th St., reported a glass door window broken.

Jan. 13 — A car struck a mailbox at 15921 Latrobe.

Private Ambulance Calls

(The following calls were serviced by Hickey and Vandenberg Private Ambulance, Tinley Park.)

Jan. 8 — Josephine Wozniak, 16800 S. Kilpatrick Ave., was transported to Ingalls Memorial Hospital, Harvey.

Jan. 9 — Victor Struppa, 7601 W. 163rd Place, suffering chest pains, was taken to South Suburban Hospital.

Jan. 11 — Suffering an emphysema attack, Helen Gadbois was taken from 16910 S. Glen Oaks to St. Francis Hospital, Blue Island.

Jan. 11 — Suffering a possible heart attack, Mrs. Ida Warning, McGovern Street, Mokena, was transported to St. James Hospital.

Jan. 13 — Josephine Wozniak, 16800 S. Kilpatrick Ave., was again transported to Ingalls Memorial Hospital.

Scavengers dumping illegally in Orland

ORLAND PARK — Unauthorized septic scavengers are apparently dumping septic tank sewage sludge into the Orland Park Sewage system.

The Metropolitan Sanitary District of Greater Chicago in an effort to stop the unauthorized dumping has asked residents of Orland Park to report any truck discharging his load into village sewers. MSD is urging residents to attempt to obtain, the date and time and place of the incident, and the license number.

A spokesman for the MSD told the HERALD that the illegal sewage dumping had first been detected by the MSD about six months ago when the district chemical

Jan. 13 — The ambulance technicians administered first aid to Mrs. Gloria Rodgers, 6320 W. 177th St., after she was involved in an accident at 183rd Street and Harlem Avenue.

Jan. 13 — Callie Hand, 16843 S. Glen Oaks, Country Club Hills, was pronounced dead on arrival at South Suburban Hospital.

Jan. 13 — After being involved in an accident at 163rd Street and Oak Park Avenue, Dennis Carter, 9220 W. Ethyl Lane, was taken to South Suburban Hospital for treatment of head injuries.

Jan. 13 — The ambulance answered an emergency call to transport Stanley Gustafson, Oak Forest, from Ingalls Memorial Hospital to Mount Siani Hospital. Gustafson needed immediate treatment of a kidney ailment.

Jan. 14 — Harry Greaney, 18160 S. Mary Ann Drive, Country Club Hills, was taken to Christ Community Hospital.

Jan. 15 — Timothy Richards, 8760 W. 168th St., was taken to Silver Cross Hospital.

Jan. 15 — Lee Carson, 18411 S. Cicero Ave., Country Club Hills, was taken to St. James Hospital after suffering an emphysema attack.

tests regularly made by the district revealed the sewage sludge in the system.

Since that time the MSD has been trying to locate the violators, but has been unsuccessful. "We just don't have either the manpower to keep a round the clock check of all the sewers in Orland and MSD spokesman said, in appealing for help from residents of the community.

Private septic scavengers normally contract to discharge their load at a specific site, but the MSD spokesman said the scavengers are apparently using Orland because it saves them time and distance instead of going to their regular site.

The secret of hangovers

By Glenn Logan

"I see by the papers, boomed the amiable and gifted freeloader, Jefferson P. Throllebottom, as he advanced across the office to this corner, 'that some Limey doctors claim to have uncovered the secret of hangovers.'"

He had both of his hands outstretched one to shake with and the other to scoop up a half dozen of cigars I hadn't time to put out of sight.

"That proverb," he went on sinking into a chair, "to the effect that 'wine is a mocker but strong drink is raging,' has nothing to do with hangovers, if these British doctors are right in their conclusion."

"If the wine is white and the strong drink is gin, vodka or the white rums they may mock and rage but without ill effects to the drinker, these researchers claim."

"According to the dispatch I read," Jeff continued, "this experiment took place at a hospital and not only did the hospital buy the booze but also paid the partakers \$2.60 per drinking session. This pay, according to those in charge was compensation for the 'inconvenience' of getting stoned. Can you imagine that? Having someone buy you booze and then paying you for drinking it?"

"Anyway, the doctor in charge of the experiment contends that the cause of hangovers lies in the consumption of various constituents present in liquor rather than the alcohol itself. He describes these as natural chemicals and talks about aldehydes — which I understand is a chemical, and some small quantities of alcohols other than ethyl, some in the form of fusel oil."

"I take it," Jeff went on, "that these elements that make for hangovers, are either less prevalent in the lighter colored concoctions or they develop less voltage in such mediums that they do in the brown rums, whiskies and red wines."

"Without these headache producers,

according to these doctors, the flavors would be lost entirely. If this is a fact then a person who takes his dram with a little water wouldn't know which was which — a sad state of affairs indeed. No, I for one want my liquor to taste like liquor."

"The doctors that conducted this drinking experiment in Britain said that the people who got loaded on gin, vodka, white wine or champagne woke up without feeling any ill effects whatever. I wouldn't know about that because I am not too partial to gin, vodka, white rum and champagne or white wine, or vin blanc, as the French would say."

"Come to think of it I used to know a chap who relied on gin as a picker-upper after a day's work and never heard him complain of any hangovers. That doesn't mean much, though, as he was one of the Silent Sam type and never talked about his troubles. He was an honest bloke, though. Never resorted to the subterfuge many gin drinkers employ — telling the bartender to produce a very, very dry Martini."

He just ordered a double gin and when he put that away would order another. Maybe they didn't leave him with a hangover but it made my stomach turn over if I watched him. He would down the gin and then use beer as a wash. It gives me a queasy feeling to even think of it."

"I wouldn't know an aldehyde if one came up and tipped his hat," Jeff continued, "but have heard of fusel oil, although nothing good about it. As explained to me fusel oil is a mixture of alcohols that are quite prevalent in the first run from a still and anyone who can drink and survive first run stuff would melt a buzzsaw and charge it into a buffer if he happened to back into it."

"I have had chaps tell me, however, that there are no headaches in good moon. Now whether that is due to the fact that moonshine likker is on the clear, or colorless side, or these people are imagining

things or merely repeating what someone else said, I don't know. I have had 'moon' that was well distilled and nurtured that tasted very well. You might not call it sippin' whiskey but if you said fitten' you wouldn't be far off."

"As for hangovers I don't know that I am willing to go along with those British doctors' theory that the presence of alcohol in what you drink has nothing to do with the way you may feel the next morning — assuming you have been belting the stuff down in quantities whether it is white, brown or green."

Jefferson P. stood up, looked about to see if he had missed anything in the line of tobacco, and prepared to shove off."

"If your paper, now, would like to check on this experiment the doctors tried out in London, I will be very happy to assist," Jeff said as he got into motion, "and I know that some of the lads at Kelly's Tap would be glad to assist too. All of us are intensely interested in science and would be pleased to give any help we can in proving or disproving this theory on hangovers."

"As a matter of fact we would be quite willing to waive any fee for our labors. . . Oh, perhaps a dollar or so for Bromo or Alka Seltzer, should there be some side effects but that's all well, so long 'Hope to see you soon in the laboratory.'"

Traffic lights needed on Harlem

Tinley Park needs traffic signals at 171st St. and Harlem Ave.

Harlem Ave., a state highway, has caused endless problems for residents, village officials and the police department.

Residents were often left in a bewildered state due to the changing positions of stop signs at this intersection while Harlem Ave. was under construction. Of course, necessary inconvenience during a construction period cannot really be listed as "offenses"; however, "necessary" inconveniences have existed in abundance.

Village officials have spent hours stretched into days and weeks trying to find workable solutions within the village's jurisdiction. After a child's death had occurred at the intersection and the state seemed to be moving too slowly to satisfy village officials and residents, the officials closed the highway until some permanent means of regulating traffic and speed could be found.

The highway is now open with 40 mph speed limit signs and stop signs on 171st St. allowing "through traffic" on Harlem Ave.

Mayor John T. Dunn, with the assistance of State Representative LeLand Rayson, has received word that the state will pay 50 percent of the cost of traffic signals and 100 percent of engineering costs for installation of traffic signals at this intersection.

Big Deal.

The state created a problem on Harlem Ave. and the village has to shell out close to \$25000 to protect the people of Tinley Park at a teacher-our intersection.

The other street involved, 171st St., happens to be a county highway. Maybe we can get some county funds, right? Wrong!

Louis Quinlan, Cook County Highway Department, told the *TIMES HERALD* that the county only installs traffic lights when the county does the improving on a highway.

(As of the time of this article, village officials had not contacted county officials.)

So, the county highway department says no funds for a state and county highway intersection. This does seem a bit strange, considering the amount of tax payers dollars that go to the county, and the recent enlightenment of the Better Government Association

regarding padded county payrolls.

The Cook County Highway Department, does pay 100 percent of traffic signals costs and engineering cost — when traffic counts warrant installation, on a county improvement project.

According to Quinlan, the municipality then assumes maintenance costs.

When asked by the *TIMES HERALD* if the county highway department had installed any traffic signals in Bremen Township, the answer was, "no, not lately."

The people are going to have to pay

Vets will receive increase next month

Five to 10 percent increases authorized for 2.5 million veterans and survivors by two bills signed Dec. 15 will be reflected in February checks the Veterans Administration reported recently.

The increases are effective Jan. 1 but will not show up in checks until early February. The increases will cost an estimated \$195 million the first year.

Commenting on the two new laws at a recent press conference, Administrator of Veterans Affairs Donald E. Johnson declared: "I cannot begin to tell you how very pleased the president and all of us are with this new legislation. This is chiefly because those who benefit are mostly older low-income veterans who are totally disabled and widows and children who most need this financial support."

Public Law 92-198 provides 6.5 per cent cost of living increases to 2.2 million veterans, widows and children who draw VA benefits based on the death or disability of veterans for nonservice-connected causes. First year cost of the increases is estimated at \$127.2 million. By signing this legislation the VA Administrator pointed out the President has prevented hardships which would have arisen Jan. 1 when social security increases become effective. Without the legislation 1,150,000 pensioners would have had their VA pensions reduced and more than 16,000 on VA rolls would have lost their pensions entirely.

The other new law, PL 92-197, provides a 10 percent increase for 186,000 widows of veterans who died of service-connected causes. Called Dependency and Indemnity Compensation (DIC), such payments are also made under some circumstances, to children and parents of veterans. About

for the traffic signals regardless of whether the money comes from the village, county or state appropriations simply because all three agencies operate with tax monies.

However, when it is disclosed that state funds are stored in shoe boxes and marble polishers employed by the county building readily admit they can't tell the difference between marble and concrete — but remain on the payroll at \$6.50 an hour — it does make one a mite suspicious. Just how many beds are we feathering with our shredded tax dollars?

53,000 children will receive five percent and 66,000 parents 6.5 percent increases under the law, which will cost an estimated \$67.8 million the first year.

VA officials stressed that no application for the increases will be necessary. They will be included automatically on February checks.

Soil-water group to meet

WILL-SOUTH COOK — The annual meeting of the Will-South Cook Soil and Water Conservation District will be held Wednesday, Feb. 2.

The event is sponsored by the New Lenox and Frankfort State Banks, it will be held at the Lincoln-Way Community High School on Route 30, two miles east of New Lenox.

A roast beef dinner will be served family style at 6:30 p.m., preceding the program and business session. Tickets may be obtained, locally, from Erwin Schmaedeke in the Mokena area; Loren Sass and Edward Berens in New Lenox and from Everett Heatherwick, Joe Kestel and Roderick Rainford in Frankfort.

Reservations may also be made by calling the district office at 100 Manhattan Road, Joliet — phone 815-723-5078.

Bill Mason, Assistant Farm Director of Station WGN-TV, will be featured as speaker during the program. Musical entertainment will be provided by the Willmington High School Madrigals.

During the business meeting, three members will be elected to the district board.

Transit programs urged for suburbs

COOK COUNTY — The suburban communities in Cook County are entitled to receive \$159,300,000 of the \$528,750,000 federal and state mass transit subsidies expected to flow into the Chicago area through 1975, according to H. A. Lenseke, director of commuter services for the Chicago & North Western Railway Co.

"But they have no chance of getting their 'fair share' unless they take prompt action, along with the other Chicago suburbs, to bring about a unified and coordinated system of mass transit for the Chicago metropolitan area," says Lenseke.

"The metropolitan area outside Chicago has a larger population now than the City of Chicago," he said. "The growing suburbs have urgent needs for mass transportation."

"Because the suburban population and area is larger," said Lenseke, "the suburbs should certainly get a fair share of the mass transit dollars available. It is reasonable to assume that the metropolitan area will receive about 90 percent of about \$529 million, of the funds to be allocated in the State of Illinois. This is about \$75 for every man, woman and child in the entire area of 6.9 million people."

"Suburban Cook County's share, based on a population of 2,124,000, is \$159,-

300,000. This money, obviously, would dramatically improve and expand mass transit service in the suburbs," says Lenseke.

"But because the suburbs have no single public agency which can apply for the subsidy dollars the way the City of Chicago does for its Chicago Transit Authority (CTA) few if any of the communities can expect to benefit from the massive sums the federal government and the State of Illinois are making available now for mass transit."

He explained that pending and proposed mass transit grant applications by the City of Chicago will siphon off all federal funds expected to be available for Illinois communities through 1980. "It is not that Chicago's needs are greater," he said. "What is lacking is the means to solve transit problems on the basis of the needs of the metropolitan area as a whole."

The logical approach is through a single regional authority concerned with all communities, small as well as large. Such an authority would eliminate the present chaos of decentralized duplication, overlapping of efforts and plans, and the wasteful competition by cities and localities within the region for public funds."

Life safety solution sought

TINLEY PARK — The architect for Kirby School will be consulted in regards to the life safety work needed to be done at Kirby. The school has yet to meet requirements of the life safety code as set up by the state.

District 140 has already been granted two extensions for life safety work at Kirby. The present extension deadline expires July 1, at which time Kirby would have to have the safety work completed, receive another extension, or face the possibility of being closed until such time as they could meet the standards.

John Bannes, superintendent of District 140, said the discussions with the architect would be to determine how much of the life safety work could be done with the money the district has.

The Kirby life safety problem resulted in some heated debate at the District 140 board meeting last week.

The county has never closed a school for violation of the life safety code, but Robert Hayes, assistant superintendent for the life safety program for Cook County said, "This is the first time that the county has ever been able to shut down schools that are operating illegally, in violation of the code."

The district was expected to seek a third extension for the life safety work, but Bannes said he had not contacted Hayes, with such a request and would not do so until he had conferred with the architect.

According to Hayes the maximum extensions usually granted are two for a district. Extensions are based on the work progress in connection with life safety code. A check by Hayes of the work progress at Kirby showed that of 21 life safety improvements cited in 1965 only three had been made at the end of 1971.

Commenting on the granting of extensions Hayes said, "If there is no work progress how can we possibly justify another extension?"

School board member Mrs. Lois Lucas presented a report at the board meeting on district referendums since 1963. Based on the report she said she felt life safety work could be started

with cash on hand in the district and by the use of capital improvement funds.

The district, already hard pressed for funds as the result of the defeat of recent referendums, voted at the meeting to begin programming for a year around 45-15 school program for the 1972-73 school year to go into effect this June.

Board members Sharon Vestal and Herb Walker voted against the year around plan, and Marilyn Cox abstained.

Bannes said the estimate of enrollment in the district for 1972-73 is 1,890. The superintendent said he felt the district could not implement the 45-15 plan because there were too many children based on the projected enrollment of 1,890. "We would probably end up with some of the 45-15 classes on half day schedules."

Board member Robert Garand said he preferred the year around program to split shifts.

In other action the board granted an open hearing to investigate the placement of the daughter of Mrs. Margaret Turner

contingent on the parents first discussing the situation with the child's teacher. After discussion among board members a vote to transfer the Turner girl back to her original class lost 4-3.

Mrs. Sharon Vestal, a former board member, stirred some controversy when she asked the board to adopt a resolution accepting the court findings that the Sept. 25 bond referendum had been defeated.

A recount after the original referendum vote had ended in a tie had resulted in a suit filed by Mrs. Barbara Schultz and for other residents of the district contesting the recount, and holding it was illegal.

Bannes told Mrs. Schultz that the board acceptance of the court ruling was the only district action required, and that no resolution was necessary.

A motion by Garand that all board members who were responsible for the resolution accepting the first recount of the ballots be censured and instructed to give a public apology lost 4-3.

A Thought To Remember

BY BOB HIRSCH

American ingenuity and technology opened a new frontier in space. Unlike the explorations of Columbus, our courageous astronauts knew where they were going, knew how to get there, knew what to do when they got there — and knew how to get home. Their marvelous lunar landing and unforgettable return to earth proved that God has endowed man with remarkable intelligence. He has endowed man with the means, minds and machines — discipline and dedication to do great things; to establish stimulating goals and reach them in rigorous manner.

It seems obvious questions should now be asked. What does God expect us to do; what does He anticipate we will do? Has the time come for us to check our conquest of space and devote equal time, the same endless effort, and the same extravagant billions to establish new bonds of brotherhood, new concepts of human concern? Since man has the intelligence to face and solve problems in step by step procedure, should we not now determine how to make the deserts fertile, cultivate the oceans to provide plentiful food to insure that no man ever starves? What are your views; what do you think? ...

Obituaries

JOHN BAUCH

Funeral services for John Bauch, 77, Park Forest and formerly of Green Garden Township, were conducted Monday at 1:30 p.m. from the Rambo Chapel at 106 E. Main St., Monee. The Rev. A. W. Klumb, pastor of St. Paul's United Church of Christ, Monee, officiated and interment was in the parish cemetery.

Mr. Bauch was born Dec. 4, 1894 in Frankfort Township, son of the late Mr. and Mrs. Jacob P. Bauch, and he farmed for many years in Green Garden township before retiring.

Besides his wife, the former Clara Brookman, Mr. Bauch is survived by two daughters, Viola, Mrs. Melvin Mueller, and Eunice, Mrs. Vilas Peters Sr., of Park Forest; one brother, Arthur Bauch, Frankfort, and six sisters, Mrs. Anna Schroth, Harvey, Miss Emma Bauch and Mrs. Walter (Alma) Marti, Joliet; Mrs. Katherine Heisner, Frankfort; Mrs. Lillian Rainford, Green Garden, and Mrs. Elsie Clelland, Joliet. Also surviving are six grandchildren and three great-grandchildren. A sister, Mrs. Ida Brookman, preceded him in death.

RAYMOND F. DABULSKI

Funeral services for Raymond F. Dabulski, 34, of 13442 S. End Lane, Crestwood, will be conducted at 2 p.m. Wednesday, Jan. 19, at the Hickey and Vandenberg Chapel, 6730 W. 174th St., Tinley Park. The Rev. W. Schroeder will officiate and interment will be in Beverly Cemetery.

Mr. Dabulski, a member of the Crestwood Volunteer Fire Department, died Jan. 15 at his home. He was born Jan. 28, 1937, in Chicago.

He is survived by his wife, Jeanne nee Veen; four daughters, Sandra, Debra, Vicky and Laurie; his parents, Bruno and Josephine; three sisters, Dolores Stanky, Mary Sempert and Helen Carlisle; and a brother, Todd Tidey.

CALLIE MARIE HAND

Funeral services for Callie Marie Hand, 51, of 16843 S. Glen Oaks Drive, Country Club Hills, were held Monday, Jan. 17, from the Hickey and Vandenberg Chapel, Tinley Park, to the Country Club Hills Baptist Church, 178th Street and Cicero Avenue. The Rev. Lionel Watkins officiated and interment was in Beverly Cemetery.

Mrs. Hand died Jan. 13 at South Suburban Hospital. She was born Oct. 5, 1920 in Illinois.

She is survived by four children, Jennie M., Robert D., Norma and Michael; and two sisters, Alma Pyle and Esther Finck.

PETER ANTOSH

Funeral services for Peter Antosh, 60, of 9047 W. 147th St., Orland Park, were held Saturday, Jan. 15, from Schmaedeke Funeral Home, Orland Park, to St. Michael Church. Interment was in Holy Sepulchre Cemetery.

Mr. Antosh died Jan. 13 at St. Francis Hospital, Blue Island; he was born Aug. 1, 1911 in Pennsylvania.

Survivors include his wife, Vera; two children, Edward J. and Arlene; a sister Ann Prokop; four brothers, Joseph, Michael, Paul and George; and three grandchildren.

HENRY C. MEYER

Funeral services for Henry C. Meyer, 85, of Chicago Heights were held Monday, Jan. 17. He died Jan. 14 in Ingalls Memorial Hospital. Interment was in Memorial Cemetery, Homewood.

Mr. Meyer was a retired farmer who had lived in Bremen Township most of his life.

He was a former Elder of St. Paul's Church, Chicago Heights, a charter of the Rich-Bloom local pure Milk Assoc., and served as the association's treasurer for many years. He was active in the village of Olympia Fields and a member of the Cook County Farm bureau, and served on the board of the American Agricultural Association of Cook County.

Surviving are four daughters, Lydia Carpenter, of Chicago Heights, Marie Bramstadt, Chicago Heights, Wilma Urban, of Richton Park; and Edna Batterman, of Dyer, four sons; Harold, of Tinley Park, Walter, of Palatine, Erwin, Crown Point, Ind.; and Arthur of Chicago Heights. Two sisters, Emilie Koehler, of Flossmoor, and Erna Bramstadt, of Homewood, two brothers, George of Lansing, and Rudolph, of Homewood, 17 grandchildren and 12 great-grandchildren.

ALVIN M. REDER

Funeral services for Alvin M. Reder, 67, of 17737 S. Highland Ave., Tinley Park, were held Jan. 14, from the McKenzie Funeral Home, Oak Forest, with the Rev. William M. Mace Jr. officiating. Interment was in Beverly Cemetery.

A resident of this area for many years, Mr. Reder died Jan. 11 at Ingalls Memorial Hospital, Harvey. He was born Aug. 15, 1904 in Chicago, and was employed as a purchasing agent for Root Bros.

He is survived by a son, James W. (Arlene P.); a daughter, Jean A. (Robert) Wiltgen; a brother, Elmer; a sister, Maida Zahring; and eight grandchildren.

NEOLA A. PRAFKE

Funeral services for Neola A. Prafke, 46, of 1652p S. Ridgeland Ave., Tinley Park, will be held at 11 a.m., Wednesday, Jan. 19 from Hirsch Memorial Chapel, to the Tinley Park Zion Lutheran Church. The Rev. Paul Lechner will officiate and interment will be at Zion Lutheran Cemetery.

Mrs. Prafke died unexpectedly Sunday, Jan. 16 at Ingalls Memorial Hospital. She was born Sept. 13, 1925 in Chicago.

Survivors include her husband, Gilbert C.; three daughters, Karen Regnier, Richton Park, Linda and Jill Prafke, her parents, Raymond and Anna Knapp, Michigan City, Ind.; two sisters, Ruth Herzke, Oak Forest, and Irma Fitzgerald, Midlothian; and two grandchildren.

Memorials are being accepted for the Arbor Park School Learning Center.

ELSIE M. BRANDAU

Funeral services for Elsie M. Brandau, 74, of 4839 West 119 St., Alsip, will be held at 1:30 p.m., Wednesday,

Jan. 19, from Hirsh Memorial Chapel, 183rd Street and Harlem Avenue, Tinley Park. The Rev. William Mace, pastor of the Tinley Park United Methodist Church will officiate, and interment will be in Tinley Park Memorial Cemetery.

Mrs. Brandau, who lived in the area most of her life, also resided in Goodland, Ind. for 20 years.

She died Monday, Jan. 17, after a short illness at Christ Community Hospital. She was born Nov. 11, 1897 in Tinley Park.

She is survived by her husband, Elmer; a son, Howard, Alsip; two brothers, Ed Blue Island, and Fred Schmiedeknecht, Joliet; four grandchildren and one great-grandchild.

GEORGE G. ANDERSON

Funeral services for George G. Anderson, 87, of 15401 S. Lamont Ave., Oak Forest, were held Jan. 12, from the McKenzie Funeral Home, Oak Forest. The Rev. Robert R. Bieber officiated and interment was in Cedar Park Cemetery.

Mr. Anderson, a resident of this area for 14 years, died Jan. 10 at South Suburban Hospital. He was born Sept. 18, 1884

in Bloomington, Ill.

He was a retired machinist for American Can Company and a member of the Boulevard Lodge 882 of Blue Island A.F. and A.M.

Survivors include his son, Glenn E.; a daughter, Dorothy G. Smith; four grandchildren and five great-grandchildren. He was preceded in death by his wife Josephine.

HOWARD H. OLSEN

Funeral services for Howard H. Olsen, 68, of 15819 S. 114th Ave., Orland Park, were held Saturday, Jan. 15, from the

Schmaedeke Funeral Home, 143rd Street and Southwest Highway, Orland Park. The Rev. Walter Ledogar officiated and interment was in Bethania Cemetery.

Mr. Olsen died Jan. 12 at his home and was born June 25, 1903 in Chicago.

He is survived by his wife, Anna; two sons, Earl, St. Petersburg, Fla.; and Howard Jr., Tonawanda, N.Y.; a daughter, Shirley Lillwitz, Orland Park; nine grandchildren and three great grandchildren.

In service

Marine Private Jack L. Gunther, son of Mr. and Mrs. Arnold Gunther, 17636 S. 70th Court, Tinley Park, recently graduated from recruit training at the Marine Corps Recruit Depot, San Diego. He attended Thornton Community College, Harvey.

Navy Seaman Eugene J. Pasinski Jr., son of Mr. and Mrs. Eugene J. Pasinski Sr., 1-213 W. 151st St., Orland Park, recently graduated from recruit training at the Naval Training Center in Great Lakes. He is scheduled to report to the Naval Training Center, Newport, R.I.

Look Back to see how far we've come!

In 1912 when we opened our doors for the first time the horse and buggy was still the mode of transportation in Tinley Park. 1912 to 1972 covers six decades . . . 60 years of growth for this community. The Bremen Bank is pleased to have played an essential part in this development.

Join us in our dedication
to make **Tinley Park**
a greater place

Now, we look forward to where we're going . . . and the sky's the limit! Tinley Park is a community on the move, thanks to vision, determination and just plain hard work on the part of village officials, community organizations and your local businessmen. Past history is fun to contemplate, but the future is here. Let us dedicate ourselves to creating a better community, a prosperous community, a growing community.

Westhaven annexes church property

WESTHAVEN — The village board has passed its second annexation in as many meetings of the new year, with the completion of the Wittich Church annexation agreement.

Three ordinances, a pre-annexation and an annexation agreement were unanimously passed by the board at Saturday's village board meeting. President Pro Tem John Miller executed the agreements, with Trustee Donald Kellogg repeatedly making the motion for the signing of the agreements by the President Pro Tem on behalf of the Village. Kellogg stated several times that President Curtis Whitaker was out of state.

When completed the Wittich property to be known as Christian Hills at 159th Street and 91st Avenue. It will include a church and Sunday school building, parsonage and caretaker's home, five apartment buildings and 26 single family homes. Construction of the church will probably begin in the spring of 1972.

The firm of Success Research Consultants, Inc. of Olympia Fields has been hired by the board to conduct a seminar in municipal management for all elected officials of the village. The seminar will cover all aspects of local government management, entire cost for the workshop will be \$1,475.00.

The board felt that instead of attending the Municipal League Convention for newly elected officials last October in Peoria as suggested by President Whitaker, the hiring of the consulting firm would be more beneficial and practical for all concerned.

Income tax booklet on sale

TINLEY PARK A booklet that gives information on how to fill out Federal tax returns will be sold at the Tinley Park Postal Service facilities in the Tinley Park and Country Club Hills area announced postmaster R.J. Mazurowski.

"Your Federal Income Tax" was written by the Internal Revenue Service and contains many examples to illustrate how the tax law applies to actual situations.

The 160 page booklet is on sale now and costs 75 cents a copy. A special feature of the booklet is the sample, filled-in return, Form 1040, keyed to pages where explanations can be found for each entry on the return.

"By selling this booklet at postal facilities in the Tinley Park and Country Club Hills area we are offering a convenient service to our customers," Mazurowski said. "We are participating in a nationwide program to make the tax booklet available to the public in 15,000 postal facilities."

This publication answers many questions businessmen have about Federal income, excise and employment taxes and also contains a 1972 tax calendar with due dates for various tax and information returns and payments.

Success Research also was hired by the board at a retainer fee of \$1.00 per year in the capacity of negotiator. The firm will work with the board and will negotiate with present and future developers entering the village in the areas of schools, recreation and proper land usage for the best interest of all citizens of Westhaven. Any additional fees to be collected by Success Research for this service will be part of any annexation fees that the developer is required to pay.

Village Clerk Charles Short announced that anyone wishing to mail the information necessary for the purchase of the 1972 Village stickers must include name, address, horsepower, 1972 Illinois license plate number, and make and year of car or truck, and a check payable to Village of Westhaven, 16801 south 94th Ave. Fees for the stickers are \$5.00 for cars and \$7.50 for trucks.

It has been difficult to arrange any evening hours for the clerk's office to be open as Short works evenings. The village hall is open Monday, Wednesday and Friday from 1 to 2 p.m. and Saturday from 10 a.m. until noon. Deadline for the purchase of the stickers is Feb. 15.

Treasurer's report for December reflected a total Dec. 31 of \$85,845.30. Warrant No. 33 totaling \$2,905.76 was approved for payment by the board. Included was a bill from Don McRenolds, Westhaven building inspector, for \$2,410.00. Trustee Ralph Aldrich stated that \$100.00 of the bill has been deducted. That fee represented several meetings with Kaufman and Broad developers and the Westhaven building inspector in connection with plans that Kaufman and Broad are drawing up for single family homes.

That corporation has purchased approximately 100 lots in the Village from Tekton Corp. current home builder. Kaufman and Broad also has purchased approximately 38 acres at 167th and 88th ave., which will be annexed to the village in the near future.

Aldrich said the Board feels that the developer, Kaufman and Broad, should pay the \$100.00 fee, not the village. The board immediately directed President Pro Tem John Miller to sign the warrants.

Lincoln Estates

By Frieda Wille
815-469-5277

LINCOLN ESTATES — The Ann Rutledge Parent Teacher Organization held their regular meeting on Monday evening, Jan. 10. It was presided over by the president, Mrs. Wayne Sulkowski. Four members of Junior Girl Scout Troop 378 presented the colors and led the group in the pledge to the flag. They were: Dianne Blauw, Joanne Fields, Elizabeth Kamm and Debbie Seamon.

A motion was made and passed that the PTO would sponsor the Junior Girl Scout troop and that they would again hold their meetings at the school. It was also announced that the Arbury Hills PTO had asked to be released from the agreement to share the profits of their fashion show in exchange for the help we would give them. A joint meeting is to be held with them to discuss this.

The fashion show is to be held the latter part of February. The first aid equipment for the school office is being purchased. Through the diligent work of the membership the treasurers report shows a balance of \$1096.26 in the bank at this time.

Plans are being made to have a "Down Memory Lane" program at the March PTO meeting. This will be a time to reminisce with your neighbor. We would like any information as to any organization from Lincoln Estates, either past or present, from as far back as we can get it. Any help would be appreciated.

The room count was won by the second grade. Refreshments were served by Mrs. Don Johnston.

A very interesting program was presented by the Rev. Owen Bechtel, director of Camp Manitouqua. He had been a Presbyterian missionary to Taiwan for nine years.

Mr. and Mrs. Bechtel returned to the states last May. They moved to Frankfort Square.

They have three children, Ronny, Linda and Randy. The Island of Taiwan is about ninety miles from the mainland of China. Most of their time was spent in the town of Gowshun.

Bechtels showed slides and told about them.

They were very educational as they showed a lot about the way of life in Taiwan.

After the slides a question and answer period followed. This was very interesting as we learned a lot about the people and their way of life. Thanks to the Bechtels for sharing these experiences with us. Also the clothes and dishes and other things that they had on display.

Mr. and Mrs. Emereth Boyden spent Saturday in Indianapolis, Ind. where Mr. Boyden attended the mid-winter meeting of the Indiana Grand Commandery, Knights Templar.

Following the meeting, the 73rd annual Newby Dinner was served to the Sir Knights and their ladies. Entertainment was provided by the Indiana Bell Telephone Company Mixed Chorus.

The activities for the day and evening were under the direction of the Grand Commander, Omar E. Hager of East Chicago, Ind. Sir Knight Hager is well known in Masonic circles in this area.

Boy Scout Pack 237 will hold their pack meeting on Wednesday evening, Jan. 19 at 8 p.m. at the Ann Rutledge school.

The Summit Hills school board will hold their next meeting on Wednesday evening, Jan. 26 at the Arbury Hills school. The next hot lunch will be served at the Ann Rutledge school on Thursday Feb. 3.

A joint birthday party was held in the home of Mr. and Mrs. Ted Emmett, New Lenox on Sunday in honor of the fourth birthday of Karen Emmett and the fifth birthday of her cousin, Richard Mercier. Guests were the maternal grandparents, Mr. and Mrs. George Kaehler, Mr. and Mrs. Ed Mercier and the Emmett family.

Mr. and Mrs. Jerry McLean and family, Kankakee, Mr. and Mrs. C. J. Wroblewski, Hobart, Ind. and Mrs. Emereth Boyden had lunch at the Holiday Inn, Crete, Ill.

Mrs. Alice Bradley has returned home after spending two weeks with her brother, Commander and Mrs. William Hertig and family, San Diego, Calif. She was there for the Christmas and New Years holidays.

Arbury Hills

By Marie Hovi
(312) 479-5740

ARBURY HILLS — The Lincoln-Way Athletic Boosters Club is sponsoring a fund raising dance at the Town and Country Hall in Joliet. The hall is located at Route 52 and Mills Road. The cost of the tickets is \$5.00 per couple and may be obtained by calling either Mrs. Mary Roach at 479-5256 or Mrs. Lucille Reinert at 485-8800.

The dance will be held this Saturday evening, Jan. 22 from 8 p.m. until 12 midnight. The proceeds from the dance will be used to pay for athletic equipment.

Dances, dances, fun time for all! Don't forget to save Saturday, Feb. 5 for a buffet dinner dance sponsored by the Arbury Hills Baseball League. The tenth annual fund raising dance will be held at the VFW Hall on Wolf Road, Mokena. Tickets for this event will be \$4.00 per person and will include the cost of the buffet dinner which will begin at 7:30 p.m. and the dancing which will begin at 9 p.m.

The theme of the dance will be "Winter Vacation in Las Vegas" with the dance being topped off by the awarding of a trip to Las Vegas. Tickets for this event may be obtained by contacting either Mrs. Jean Hayden at 479-9350 or Dick Hendrickson at 479-5821.

St. Mary's Basketball teams will have two conference dates this week with the first coming tonight, Jan. 19 against St. Dennis at home at the Willowcrest Gym on Willowcrest Lane, Mokena beginning at 7 p.m. with the Lightweight game followed shortly by the Heavyweight game.

The second conference date will be an away night at St. Jude of New Lenox which will be played on Jan. 26, with the first game starting at 7 p.m.

Jan and Bob Felkamp of 9513 West Elm Avenue took their three youngsters, Gary, Ben and Tim on a holiday vacation to St. Petersburg, Fla. to see their grandparents, Mr. and Mrs. Ben Osinski.

While in Florida the whole family spent a fun day at the new Disneyworld after spending the previous night in Orlando, Fla.

The vacation was somewhat extended unexpectedly when young Tim decided that Florida was a great place to have the mumps. The family finally returned home to our lovely weather after three delightful weeks.

Frankfort

By K. M. Heisner
815-469-5187

FRANKFORT — A meeting for all church members of the Frankfort United Methodist Church is planned from 2:30 to 8 p.m. Sunday, Jan. 23. The purpose is to work out the objectives and goals for the church year of 1972.

The Junior and Junior High Youth Fellowship of St. Peter's United Church of Christ has postponed its meeting till 7 p.m., Sunday, Jan. 23.

The Men's Dart Ball team will play the Dyer team at St. Peter's on Wednesday, Jan. 26 at 6:30 p.m.

The Women's Fellowship of St. Peter's monthly meeting is at 1:15 p.m. Thursday, Jan. 27 at the church. Mrs. William O. Rahm the president, will conduct the business meeting. Devotional chairman is Mrs. George Kratzberg, Jr. The program topic is "Do According to your Faith - Listen."

A public dinner will be held at St. Peter's Church from 5 to 7 p.m. Thursday, Jan. 27. Hostesses are Mrs. Donald Schroeder and Mrs. Edward Tewes; co-chairman, Mrs. Harold Scheer and Mrs. Kenneth Wieland; phoning, Mrs. David Friant and Mrs. Gene Ellis and bakery sale, Mrs. Burnett Schram. The donations by the March dinner committee.

The Green Garden Snip N' Snack 4-H Club held its electrical meeting Jan. 8. The girls gave talks and tips on how to buy the following items: hairdryers, make-up mirrors, electric curlers, electric shavers, toothbrushes and manicure sets.

Awards were handed out for the following: County Project Honor, County Outstanding; State Project Honor, State Outstanding Dress Review, three year pins, five year pins and Junior Leader Pins.

The next meeting is Feb. 12. This will be a people to people meeting. The program will be on Hawaii. This will also be a Valentine Party. Everyone should bring one-half pound of homemade candy and have the recipe in the box. Ceramic classes for beginners is at 9 to 11:30 a.m. and the advanced from 1:30 to 3:30 p.m.

The first group of outstanding high school students to be admitted with recognition to Iowa State University next fall has been announced by the office of admission and records. From the Frankfort area is Kay E. Keener, 17 Pacific Street who will major in mathematics.

Mokena

By Jean Bradley
312-479-9321

MOKENA — The Youth League of the Immanuel Lutheran Church will hold an

Art and Hobby Show and Spaghetti supper on Sunday, Jan. 23. The Art and Hobby Show begins at 3 p.m. Entries are invited and encouraged. The Carl Sandburg High School Choral will present a half hour musical program in the church at 4 p.m. Supper begins at 4:30 p.m. and continues until 7 p.m. Tickets are \$1.75 for adults and \$1.25 for children.

The Mokena PTA meeting is at 8 p.m. Tuesday, Jan. 25 at the Willowcrest School. The theme is "Reaching Out Into The Community", which will include hobbies and collections of residents in and around Mokena. Anyone wishing to display articles should call Mrs. Mary Ann Franson at 479-9773. There will be a baby-sitting service available. Refreshments will be served by the fourth grade room mothers.

There will be no school at Willowcrest on Monday, Jan. 24 as there is a teachers' institute.

The Mokena Band Boosters will present a Jazz-Rock Concert at 8 p.m. Wednesday, Jan. 26 at the Willowcrest School. The Thorton Community College Jazz Band directed by Don Cramer will perform along with singer Judy Storey, star of the New Performers TV series. The Park PTA Kitchen Band from Joliet will also entertain. Perry Friedman, director of the Mokena Grade School band will play a trumpet solo. Tickets are available at the door or from any band member for \$1.

The Mokena Community Public Library District will conduct a story hour for six weeks beginning Feb. 2 to March 8. There is a limit of 30 children, so you must register at the library, the week of Jan. 22 to Jan. 29. The story hour will be held at the library from 10 to 10:45 a.m. There will be story telling, finger plays, songs and filmstrips.

Marley

By Virginia Sass
815-485-6424

MARLEY — The annual business meeting of the Marley Community Church was held at the church on Sunday, Jan. 9, fol-

lowing a fellowship dinner. Annual reports were heard from the organizations of the church. Elected to office were Lee Fears, treasurer; William Colbert Sr., Mrs. Russell Lauffer and Mrs. Carl Newcomb, board of deacons; Arthur Maue and Russell Lauffer, board of trustees; and Mrs. Harwood Stellwagen and Mrs. William Little, board of Christian Education.

Mr. and Mrs. James Tilsy, Mr. and Mrs. Loren Sass, and Mr. and Mrs. Russell Lauffer attended the 20th anniversary annual meeting of the Illinois Health Improvement Association at Holiday Inn East, Springfield, Jan. 11-13.

New Lenox

TUESDAY, FEBRUARY 1

WILL COUNTY — The Will County Homemakers Extension Association will hold their Annual Program Planning meeting at 9:30 a.m. Tuesday, Feb. 1 at the Farm Bureau Building, 100 Manhattan Road, Joliet. All unit program chairman will meet with the Council members to plan the program for the coming year. There will be a follow-up meeting at 9:30 a.m., Tuesday, Feb. 15. Mrs. Seveno Leggero is county program chairman.

Gene Barry, the star of television's *Bat Masterson*, *Burke's Law* and *Name of the Game* productions visits with members of Orland Park's St. Michael Council of Catholic Women. The council is sponsoring a night at Drury Lane Theatre to see Barry in *Once More, With Feeling*. With Barry are Co-Chairmen (standing from left) Mrs. Edwin Arnett and Mrs. Fred Bryan, both of Palos Park, and Council President Mrs. Robert Wavering, Palos Heights.

Board focuses on zoning

MOKENA — Zoning matters took up a major portion of the recent session of the Mokena Village Board. Two applications for zoning were approved, one was referred back to the plan commission, one was denied and another petition that had been denied won the approval of the village board by a vote of 5-2.

The petition which was previously denied was that of Larry Istel asking reclassification of two lots on Wolf Road, south of Boyer Court from R-1 to R-4. Some property owners appeared before the zoning board to object, contending it was their understanding that the lots sold by Istel would be used for single-family dwellings.

Istel, through his attorney, Thomas Phelan, contended he has never made any representation, oral or written that the subdivision would remain R-1. Phelan said that many peices of property on Wolf Road have been classified R-4 and that is what is planned for the area.

On a motion to approve the zoning board's recommendation that the reclassification be denied, made by Trustee Robert Teske and seconded by Trustee Chester Ebert, a tie vote resulted. Teske and Anthony Dina Sr. voted aye; Marvin Homering and Kenneth Warning voted no; Lloyd Leyerle and Ebert abstained.

Then Mayor Will Tuttle said he would entertain a motion to override the decision of the zoning board. Under the Mokena council rules a vote of two-thirds of the council is required to overrule a recommendation of the zoning board, or five of the seven trustees.

The motion to override was made by

Warning. Voting to override were Dina, Leyerle, Warning, Ebert and Tuttle. Teske voted against the proposal and Homering abstained. An R-4 classification would permit an apartment building with one unit for every 2,500 square feet of ground in the site. An R-5 permits a unit for every 1,500 feet of ground space.

In the case of the petition of Mrs. Harry Mall for reclassification of her property on McGovney St., from B-1 — R-4 to R-5 the village board upheld the recommendation of the zoning board which denied the request. Mark Mueller and Richard Sippel had plans for an R-5 apartment building there.

Village Attorney George E. Sangmeister reported that the zoning board had denied the petition principally because of the layout for parking — the cars would be backing out into the streets — and also because they believed an R-5 classification would allow too high a density for the area.

Mueller argued there are two R-5 buildings in town and they have not caused any trouble; that the parking could be rearranged so there would be no need for cars backing out; that the apartments planned would be one and two bedroom units, and that adjacent property is zoned R-5 and there are R-5 sites north of the Rock Island tracks.

Mayor Tuttle said that R-5 zoning was applied to various lots in town because they were too small for a single-family dwelling or a large apartment. Teske reported that the zoning board of appeals recommended that all R-5 classifications, not in use as such now, be upgraded to R-4.

The request of Elmer Tepper, who has the shoe repairing shop on Front St. for a change in zoning from B-1 to B-3, was denied. Tepper wants to also operate a shop to sell fish, turtles and birds.

The zoning board said that he did not need a zoning change for that, and that such a business could be operated under B-1.

The zoning board allowed the petition of Michael Gaba and Paul Plebanek, of Oak Lawn, for a change in classification from B-4 to R-4, for their property between 193rd and 194th streets on the west side of Wolf Rd.

Originally it had been R-1. The new owners got the B-4 classification for a super-market, but have changed their plans and will erect apartment buildings instead.

Joseph Majher, 11206 W. 194th St., whose property abuts the proposed apartment site to the west, said there was a drainage problem in the area, plus difficulties concerning the easement behind the proposed apartments.

Majher also was concerned about the parking. He contends that with cars parking at the rear of the building the exhaust fumes of cars will enter his home and cause problems.

Teske withdrew his motion to concur in the recommendation of the zoning board and instead moved to have the case referred to the plan commission for a recommendation. This was adopted. Gaba and Plebanek are to be notified to appear before the plan commission at 8 p.m. Jan. 13.

Asks sewer action

MOKENA — Brightwood residents want action on their sewer program. A committee from the area, with Robert Schultz as spokesman, appeared before the Mokena village board at its recent meeting to ascertain status of the sewer project.

Mayor Will Tuttle said that the plans for the treatment plant intended for the Owens Land Trust development have been approved by George Barber, the village engineer, and returned to Robert E. Hamilton, who drew them up. Hamilton has forwarded the plans to the State Environmental Agency, which usually takes from 30 to 60 days to approve a plan and issue a permit.

The delegation from Brightwood, which requested a definite date for starting the project or a hook-up with the present treatment plant at the north end of the village. This would require installation of a lift station whereas sewage could be carried to the Land Trust plant on Hickory Creek by gravity. Mayor Tuttle said he plans to talk with Sidney Blum, a developer of the property, to try to get a definite agreement as to when the sewer treatment plant will be built. Tuttle was to have seen Blum last week but Blum was ill. Tuttle is expected to see him this week.

The delay in getting the sewer program started is costly. Under the original estimate it was figured that it would cost Brightwood residents about \$2,200 a lot. It is estimated the price now is around \$3,000 a lot.

Hamilton said that about half mile of

road will have to be built to the sewer plant site before work can be started on the plant. The site is on Hickory Creek, approximately half a mile west of Wolf Road.

Street lights for Brightwood were requested by a group of residents sometime ago and Commonwealth Edison drew up a plan which is being followed. The first lights installed were for intersections and corners. Other lights are to be added when the utility company can program the work.

Arthur Johnson and Steve Dokoanos asked that no lights be placed near their properties and some woman voiced a similar request.

Others suggested that the lighting be made more in keeping with the neighborhood. Village officials said that could be arranged if the Brightwood residents were willing to pay the extra cost special lighting would entail.

Service News

WICHITA FALLS, TEX. — Airman Richard T. Ford, son of retired Army Staff Sergeant and Mrs. Robert R. Ford of 611 Ogden Road, New Lenox, has graduated at Sheppard AFB, Tex., from the U.S. Air Force aircraft mechanic course.

Airman Ford is a 1971 graduate of Lincoln-Way High School. His wife, Teresa, is the daughter of Mr. and Mrs. Turner G. Turan, 601 S. Circle Drive, Wilmington.

Bertani disagrees with court

(Editor's Note: State's Attorney Louis R. Bertani, of Will County, has expressed his thoughts on the recent Illinois Supreme Court's decision giving a green light to marijuana.)

"Recently the Supreme Court of Illinois in the case of People vs McCabe, reversed a marijuana conviction on the ground that the inclusion of marijuana as a drug classification under the Narcotic Drug Act was an unconstitutional classification under the Narcotic Drug Act was an unconstitutional classification.

Since there was not substantial medical information to justify classifying marijuana as a narcotic drug. Following through on this decision, the Appellate Court has summarily reversed four convictions for the possession of marijuana which have been obtained in the last few years in Will County. The reversals deal with cases involving Roberto Gonzales, Dennis Parks, James Kolbe and Herman Jenkins. Will County State's Attorney Louis R. Bertani, expressed his disagreement with the McCabe opinion.

However, since it is the law of the state of Illinois, there is no alternative available but to permit the convictions to be reversed.

"Bertani pointed out in the McCabe case, there were two dissenting opinions, one by Chief Justice Robert Underwood, and the other by Justice Howard Ryan. Justice Walter Schaeffer took no part in the decision.

"Bertani states he is in accord with the dissent, but unfortunately, the dissent is not the law. The majority decision of the

Supreme Court must govern. State's Attorney Bertani points out that the McCabe decision will affect other cases upon which convictions have been obtained and at least one or more pending prosecutions.

"State's Attorney Bertani noted that countless hours have been expended by interested citizens, the various police departments and his office in working up the cases which have been tried and in preparing the cases which are pending, all of which work is to be of no avail because of the McCabe decision.

"Fortunately, the legislature in the last session did amend several of the narcotic laws so that arrests occurring since Aug. 16, 1971, are covered by the new act which has not been constitutionally challenged. Bertani noted that extensive criminal involvement of persons addicted to hard drugs is well known. The intensive craving for the drug and the dread of circumstances following its withdrawal leads addicts to engage in criminal activities to finance their habit.

"Bertani feels that marijuana also causes

violence, crime and anti-social acts. Unfortunately, according to Bertani, there are many who feel that physical dependence or withdrawal symptoms do not attend the use of marijuana. This may or may not be true, but it is a well known fact that accompanying the use of marijuana, anti-social conduct does occur and it can therefore be concluded that the use of marijuana can and does lead to criminal activities and should not provide a basis for distinguishing marijuana from other dangerous drugs."

1972 will be 'get out and vote year'

NEW LENOX — One thing that some people — especially the politicians, county clerks and boards of election — will remember about 1972 is that it was a year of many elections. The first one, in the form of a caucus, will be held Feb. 1 to nominate candidates for the new style county board.

The caucuses for residents of New Lenox, Frankfort and Homer townships will be held in two schools. The Republican caucus will be held at Lincoln-Way High School, U.S. 30, in the all-purpose room.

The Democratic caucus will be held in Oakview Junior High School gym, 809 N. Cedar Rd., New Lenox. The caucuses are to be held at 7:30 p.m. Three candidates will be nominated at each caucus.

Frankfort, New Lenox and Homer townships are in District 2. In District 1 are Green Garden, Monee, Crete, Washington and Will Townships.

The Republican caucuses for that district will be held in the Crete-Monee High School, West Exchange Street, Crete, while the Democrats will meet in the Crete Elementary School.

The precinct committeemen of both parties are to hold meetings, at which each group will choose a chairman and a secretary.

Under the law, as explained by County Clerk Clara Hartley Woodard, candidates who would run in the caucuses must file their intention in writing, with the secretary, before noon Jan. 27.

In District 2 the Republican committeemen have chosen Albert H. Krusemark Sr., Frankfort, as chairman of their caucus, and Ronald Whitaker, New Lenox, as secretary.

Krusemark said that to date three candidates have indicated they will file. They are: Glenn Coburn, Lincoln Estates, and supervisor of Frankfort Township; John Oster, assistant supervisor from New Lenox, and Jerome Paddock, supervisor of Homer Township.

Filing is still open for other candidates. The caucus is open to all registered Re-

publican voters and there could be many candidates for the three nominations.

There will be no nominations from the floor unless there are less than three candidates.

The candidates chosen at these caucuses will be voted on at the Apr. 4 election.

There are nine districts in the county and three candidates will be elected in each

so the new county board will have 27 members.

Formerly the county board was made up of the supervisors and assistant supervisors elected from townships.

These officers will no longer serve on the board.

Those who will form the board now are county officers, elected on a one-man-one-

vote basis.

Efforts have been made to get the courts or the legislature to make the county board primary a part of the regular county primary March 21, as a means of saving money but attempts were unsuccessful. It is estimated it will cost Will County \$85,000 to have the Feb. 1 and April 4 elections.

If no more than three candidates file then they automatically become the three nominees who will be voted on at the April 4 election.

If there are more than three candidates the three receiving the largest number of votes will be the nominees.

Dominic Rini, of New Lenox, has been named by the party's county chairman,

John Houlihan, as chairman of the Democratic committeemen in District 2 and will arrange meetings to get candidates nominated at the caucus Feb. 1.

As of last Thursday the Democrat committeemen had not met, but were expected to have had their preliminary meeting and completed arrangements for their caucus this week.

News Briefs

MATTESON — As a reward for faithful service to the school, the Sieden Prairie safety patrol and monitors will attend the Chicago Bulls basketball game Monday, Jan. 24, through the courtesy of the Bulls and the Sieden Prairie School Board.

Fifty-four upper grade girls and boys along with teachers and adult chaperones will attend the professional sporting event which will be held in the Chicago Stadium.

The Sieden Prairie school board has donated special bus service for the group.

NEW LENOX — A spaghetti dinner is to be served Sunday, Jan. 23 at Providence High School. Serving will begin at 1 p.m. and continue until 5 p.m.

The price will be \$1.75 for adults and \$1 for youngsters under 12. The proceeds will go to the school.

WILL COUNTY — Taxpayer's assistance service is available on the first floor of the Will County Court House, 14 W. Jefferson St., Joliet. This service is being offered by the Department of Revenue, State of Illinois.

Hours are 9 a.m. to 4:30 p.m., Monday through Friday until Friday, April 14.

JOLIET — The Joliet YMCA will be offering tennis courses this winter. The classes will be designed for beginning tennis players.

Basic skills will be taught to adults on Fridays, 1:30-2:30 p.m. starting Friday, Jan. 21. Youth tennis classes will begin Thursday, Jan. 20, 4:30-5:30 p.m. Both sessions will be eight weeks.

NEW LENOX — Ten college courses will be offered this spring at New Lenox through Joliet Junior College's satellite center.

All classes will be held at night in the Lincolnway High School. Registration for courses will be held Jan. 18 from 7 to 9 p.m. in the high school. Classes begin Monday, Jan. 31.

Courses to be offered include account-

ing, art, English, history (U.S. to 1865), home economics, law enforcement, psychology, real estate, secretarial procedures and beginning shorthand.

Further information may be obtained by contacting the college.

COOK COUNTY — George W. Dunne, president of the Forest Preserve District has announced a continuation of the forest preserve policy throughout the year of accepting applications for picnic permits on a first-come, first-served basis, and only to those applicants who appear in person.

The Picnic Permit Office is now located in Room 1130, Cook County Building, 118 North Clark St., Chicago. Office hours are from 8:30 a.m. to 4 p.m., including the lunch hour, Monday through Friday.

Picnic permits are required for groups of 25 or more people. A \$5 refundable deposit is required when application is made.

In 1970, the largest number of people under one permit amounted to 3,000.

WILL COUNTY — Mrs. Charlyn Fuschen, Assistant Extension Advisor of the Will County Cooperative Extension announces that the local lesson on "What's New in Furniture" will be presented at 1:30 p.m. Friday, Jan. 21.

It will be held at the Will County Conference Room, 100 Manhattan Road. Mrs. Alice Alexander of the National Home Fashions League and who is also employed for Koehler Furniture Company will present the lessons.

Student Scene

MOKENA — Lois A. Albers, junior at Augustana College, Rock Island, has been named to the dean's honor list for the fall quarter. The list covers students whose grade point average is in the A range, from 3.50 to 4.00.

Miss Albers is a daughter of Rev. and Mrs. E. H. Albers, Laporte Road, Mokena.

Lions offer third lecture

MOKENA — The third program of the "Travel and Adventure" series of illustrated talks sponsored by the Mokena Lions Club will be given tomorrow (Thursday) in the Lincoln-Way High School auditorium at 8 p.m.

This program will be given by Chris Borden, a specialist in the travel field, who has traveled 12,000 miles, three-month tour of Mexico.

Those without season tickets may purchase admission at the door, \$1.50 for adults and \$1 for students. Proceeds are used by the Lions for blind, health and community projects.

A graduate of the University of Arizona with a major in English and a minor in speech and drama Borden start-

ed on a career in radio broadcasting and communications in San Francisco that culminated in the formation of the Chris Borden School of Modern Radio Technique.

His hobby of photography led to camera assignments and that led to the development of a travel film business.

In 1965 he sold his school and devoted full time to production of travel-and-adventure films. He has produced many films for business, industry, and nationally syndicated television. First stop on the Mexican tour is the magnificent natural harbor of Guaymas. Then there is fishing in San Carlos Bay, a probe into the deserted fort at Ortiz. There is also a visit to Alamos, famous for

its rich silver and gold mines and a tour of Mazatlan in donkey drawn cart. The bullfights at nearby Charro offer thrills and excitement.

The bus also travels the "impossible" road at Puerto Vallarta with its 125 miles of rocks, rivers and ruts, that ends with a show of the latest Mexican fashions for ladies at the boutique of de la Vega.

Visits to Mexico City and Acapulco are included and sunrise over Taxco unveils the famous silver mines and \$300,000 three-stories home of Senor Fidel Figueroa, with its art treasure, a private chapel, gardens and pools.

According to those in charge it is a fine trip for little money.

It's good ice skating at least

MOKENA — Hopefully, by the time this appears, some of that summery December weather will have replaced the arctic variety that held the region in its grip the latter part of last week.

In the forefront of the week snow, billed in advance as flurries, covered most of the territory to a depth of between three and four inches.

Snowplows, however, made short work of the white covering on highway and streets but the sun never had a chance to do away with that on the ground. The sun was out quite a bit for this time of year,

but it lacked power to combat the arctic freeze that sent the mercury down too much below zero by Saturday morning.

Zero and below was reported Thursday night and Friday but Friday night and Saturday morning the mercury did itself proud. Various readings were reported in the region, ranging from 13 below in towns to 18 below in open country. With a brisk northwest wind blowing the chill factor was so far below zero that one would have been warmer in Alaska.

On Sunday the mercury was supposed to struggle up to 15 above. Forecasters

were predicting the zero stuff would be around for 42 hours and if it lets up as scheduled one cannot complain too much. It is when sub-zero temperatures persist for 10 days or two weeks, as they occasionally have, that the land salesmen in Florida and Arizona do a brisk business.

One thing the sub-zero temperatures have done is make for good ice skating. Park rinks that are built up by spraying water from a hose should have coatings that will last through considerable moderation of temperature, it was said.

Service News

NEW LENOX — Marine Pfc. Demarie L. Buckler Jr., son of Mr. and Mrs. Demarie L. Buckler Sr., 212 William, New Lenox, was meritoriously promoted to his present rank upon graduation from recruit training at the Marine Corps Recruit Depot, San Diego, Calif.

His promotion came after he had distinguished himself in all phases of the rigorous training, which includes physical fitness workouts, water survival, rifle and pistol marksmanship and extensive academic work.

Empty and Cold

The early morning sun creeps up over Horsetail Slough, northwest of Orland Park, but it will do little good as temperatures registered near 20 below zero last week.

The slough was drained and deepened this fall and forest preserve crews will be working to deepen the slough more as weather permits this spring. The project will provide better fishing and help control the growth of aquatic plants.

Plans call for having the slough ready for use this summer. The average depth is about three feet, but with the dredging the slough will have an average depth of eight to 10 feet.

Early spring rains are expected to fill the slough. It will be stocked with large mouth bass. In recent years Horsetail has had an over abundance of Blue Gills.

GOP candidates to meet Jan. 22

MATTESON — Everett Klipp, Republican Committeeman of Rich Township has announced that he has called a Saturday, Jan. 22, meeting of the party endorsed state legislative candidates of the new ninth district. The purpose of the meeting will be to coordinate the primary campaign of the legislative candidates with the campaign of Congressman Edward Derwinski, fourth district.

Klipp stated that Congressman Derwinski urged this cooperation pointing out that it would simplify organization of campaign staffs, the setting up of headquarters and would eliminate duplication of effort. The primary election will be held March 21, 1972.

The party endorsed candidates in the new ninth district are Representative Don Moore, Midlothian, seeking nomination for the State Senate, and Representative Lynn Brenne, Park Forest, and Village President William Mahar, Homewood, seeking nomination for the two House seats.

Moore, Brenne and Mahar were slated by vote of the ninth district committeemen. Klipp, who served as Chairman of the Slatting Committee, stated that the Committee was impressed with the excellent qualifications of the slated candidates, and the fact that they were representative of and would give good representation to all residents of the new ninth district.

Klipp pointed out these basic qualifications of each of the candidates. Representative Don Moore has served in the legislature for ten years and was considered for Speaker of the House of Representatives in the present session.

His legislative chairmanships and committee work have been in areas of Counties and Townships, Municipalities, Conservation, Local Government, Public Assistance, Budgetary Commission and General Assembly Organization. He brings to his candidacy representative experience and legislative expertise needed and deserved by the residents of the new ninth district.

William Mahar, seeking nomination for the House of Representatives, is presently village president of Homewood, second largest community in the new Ninth District. A life-long Republican, he has served the Village of Homewood for ten years being elected Trustee in 1961. He is very familiar with the social, economic and growth problems of a community and the village of Homewood attest to the quality of his service and leadership.

His awareness of the area and its problems, however, extend beyond the village limits of Homewood. His participation in the reactivation of the Calumet Union Drainage District following the flood of 1957 and his work in the establishment of the South Suburban Mass Transit District points this up.

Mahar has served as President of the South Suburban Mayor's Association and is presently serving as Chairman of the South Region Water Resources Committee an area of vital concern to all communities. Klipp stated that this record of service speaks for itself and should earn Mahar the support of all citizens of the district.

Representative Lynn G. Brenne, incumbent, is seeking nomination for his second term. Klipp stated that Representative Brenne fulfilled his promise to open a

legislative office for all his constituents. This office is located at 2440 Lincoln Highway, Olympia Fields and is open from 9 - 5 daily and 9 - 12 on Saturday. His legislative committee assignments in his first term were Legislative Reference Bureau, Cities and Villages, Mass Transportation, Counties and Townships, Municipal Corporations, and Chairman, Township Laws Revision Subcommittee.

His record of public service in our area dates back to 1949. He served five terms as village trustee of Park Forest, the largest community in the district. Klipp states, Representative Brenne, has an awareness and grasp of problems in all areas. His main interest centers in education, community growth and local area planning, recognizing that the rapid growth of the district makes these the most pressing and urgent problem areas.

The ninth senatorial and legislative district is made up of all or part of the following townships: Rich, Bremen, Orland, Thornton and Bloom. Committeemen representing those townships on the Slatting Committee were: Everett Klipp, Rich; Eugene Leonard, Bremen; William Kane, Orland; Evert Schultz, Thornton and County Commissioner Charles Grupp, Bloom.

Sundstrom charges conflict of interest

HOMEWOOD Arthur J. Sundstrom, Jr., candidate for the Republican nomination for State Senator in the Ninth district, charged Friday that a "blatant conflict of interest is behind the recent erratic political behavior of Rich township Republican Committeeman Everett Klipp."

Sundstrom stated that substantial evidence has been presented to him by concerned citizens during recent weeks concerning Klipp's use of his post as GOP committeeman to promote his own economic interests. As an example he cited a by-line feature in The Star Tribune (Sept. 9, 1971) in which it was first revealed to the general public that Klipp owns 160 acres of land lying two miles from the perimeter of the proposed multi-billion dollar "Illinois International Airport."

The report in The Star-Tribune stated that "over the past two years Klipp has mailed out more than 1,000 presentations of the Beecher-Peotone site to every potentially influential congressman, state legislator, airline official and local official in the area." Sundstrom said that Klipp, as GOP committeeman, also had made personal contacts with numerous public officials in efforts to obtain the approval of an airport near his land.

The airport proposed by Klipp would lie about four miles south of Crete and Park Forest South and would obliterate at least one residential community, Sundstrom said. He noted that Klipp's land, however, could be used for commercial development in connection with the airport, thus substantially enhancing the value of his land. Sundstrom observed that the Klipp site is violently opposed by many citizens of Matteson, Richton Park, Park Forest, Olympia Fields, and other communities lying within the flight patterns. They object, according to Sundstrom, to the noise and air pollution that would result from locating an airport there.

"I am reliably informed that Klipp, in attempting to justify the slating of a token Republican for state representative told Rich township GOP precinct captains that this man is interested in both mass transit and the airport," Sundstrom declared. "What better way is there to influence legislation than to have local legislators committed to having a new airport where Klipp wants it?"

Sundstrom continued, "The strong-arm tactics used by Klipp to force Dudley Healy and Ray H. Garrison out of the race for state representative and thus eliminate an open primary in which candidates friendly to the committeeman might lose would now appear to have more serious implications."

Knights beat Vikings, tie for 1st

NEW LENOX — It was cold outside as well as inside Saturday; at least for the Lincoln-Way basketball team. The Knights who had turned in a fine effort to beat Homewood and tie the Vikings for the Southwest Suburban lead Friday, turned cold Saturday in a loss to a strong Springfield Southeast team, 79-65.

Lincoln-Way shot only .235 from the field in the third quarter against Springfield, and this cold streak spelled defeat. The Knights trailed 17-14 at the end of the first quarter and missed a number of chances to get out in front. Springfield had seven turnovers in the first quarter, but the Knights obligingly gave five of the turnovers back to the Spartans.

Despite missed opportunities the Knights managed to battle to a 33-33 halftime tie.

Springfield boasting a 13-1 record came on strong in the second half as the Knights obviously tired as a result of their battle with Homewood began to wilt. While the Knights had a cold third quarter scoring only 11 points, the Spartans shot at a .625 clip for 22 points.

Terry Ryan led the Knights with 20 points.

Friday the Knights with their sights set on first place won a must game but had to rally to do it, 60-47.

The loss was the first in conference play for Homewood which is 7-5 for the season.

Both Lincoln-Way and Homewood are now tied for the Southwest lead with 6-1 records. The Knights only conference loss came at hands of Rich East, 70-69 last December.

The Knights meet Rich again Jan. 28, and Homewood in the final game of the season Feb. 25. Ryan again led the Knights with 19 points, but fouled out with 2:38 left to play in the game, but the Vikings couldn't take advantage of the Knights' offensive loss.

John Pirko and Steve Peterson came on to fill in for Ryan. Pirko popped in three baskets in the final two minutes and finished with 14 points.

Peterson slipping between, and occasionally being bumped by two 6-7 Vikings

grabbed four important rebounds in the final minutes.

Homewood surprised Lincoln-Way coach Brad Bounds by playing a man-to-man defense. Bounds had expected the Vikings to use their favorite box-on-one or 1-2-2 zone, and it took time for the Knights to adjust to the man-to-man; as the Vikings held a 31-29 halftime lead.

Junior Curt Rust put his team ahead to stay, 44-42 with 45 seconds left in the third quarter. With 4:41 left Bounds pulled a defensive surprise himself when he switched his team to a sloughing man-to-man defense, in an effort to stop the trailing Vikings from shooting from the out-

side, as they would figure to do against a zone defense.

The defense worked so well that the Vikings scored only five points in the final period.

Lincoln-Way's superiority on the free throw line also proved helpful. The Knights hit 20 out of 28 charity tries while the Vikings made only 11 out of 21. Greg Heckler led the way at the free throw circle with a perfect 7-7 for seven night.

Friday the Knights host conference foe Sandburg at 8 p.m. The Knights won the first meeting between the two teams this year 70-43.

St. Mary's wrestlers, cagers are active

MOKENA St. Mary's Wrestling Team traveled to the Hazel Crest Boys Club home grounds for their return dual meet last week. Happily the results were the same with St. Mary's winning by the score of 40-36. They nailed down the victory by winning eight matches in a row in the lower weight categories and won only one in the higher matches.

Starting with the 50 lb. match, Dale Slusarski won on a pin. Don Schofield at 55 lb. also won on a pin, and Dennis Slusarski at 60 lb. made it three in a row with a pin.

Mickey Murray won his 65 lb. match with a 5 to 2 point win. Pat Geary followed at 70 lb. with a four team point win by taking his match 11-0. Jim Sitzberger at 75 lb. won by default, when his man was injured. Jim had been ahead on points when the match was called.

Doug Slusarski won his match at 80 lb. with a pin, and Tom Cumbee took his at 85 lb. with a 9-7 decision. The team took one more match at 110 lb. when Ken Sitzberger won a decision by the score of 5-2.

Bengals beat Crete varsity

OAK FOREST — How long has it been since you've seen a group of sophomores beat a varsity team. It doesn't happen very often but such rarities don't seem to bother the Oak Forest wrestling team.

Oak Forest wrestling coach George McClarence has a team of sophomores (Oak Forest doesn't have a junior or senior class yet) who are making a name for themselves in the mat game this year.

Last week the super sophs met and beat the varsity grapplers from Crete, 20-21. It was the first time the Bengals have faced a varsity squad this season. They will tangle with two more varsity teams before the season is over.

The fact that this was the first time the boys had faced a varsity team and wanted to show they could compete against older boys plus the upset at the hands of Lincoln-Way earlier in the week were big factors in the Crete win," McClarence said.

The upset McClarence was referring to was a 27-23 loss to the Lincoln-Way sophs in a meet the Bengals thought they should have won. Oak Forest won seven out of 12 matches against Lincoln-Way, and all of the losses were close decisions.

Against Crete Jim Pauly surprised his 98-pound foe with a 7-2 win and Bob Kubat, won 4-0 at 105. Scott Carlson, pinned at 112, and Tim Gerdes pinned at 126. Ray Nelson was a 6-2 winner at 132 and Mike Jarmoczka won, 5-1 at 138. Dave DiPaolo pinned at 145.

Against Lincoln-Way the Bengals started fast as Pauly and Kubat pinned in the first two bouts. Carlson won 7-6, and Tom Donahue won 3-2 at 119 pounds. Gerdes turned in a 5-4 win at 126, but from there on the Bengals were winless. Bob Reno got the last Bengal points with a 2-2 win at 185-pounds.

Oak Forest softball program planned

OAK FOREST — The Oak Forest Park District will be offering a Softball program again this year. It will be for both girls and boys, ages 9-13 and 13-17 years.

The program is now being organized and needs both men and women as coaches and managers.

Anyone interested should call the Oak Forest Park District, 687-7270, or Judy Cipolla, 687-1410.

St. Mary's played St. Joe Lockport in an away set of basketball games last week. The Lightweight Team lost to St. Joe by the score of 33-29. The individual point breakdown again showed teamwork with J. Mortensen scoring 11 as high point man. D. Wilson with 5, D. Bernardin with 4, B. Leonard with 3, T. Cumbee with 2, B. Armis and T. Wilson both with one each.

St. Joe had P. Kuzma as high point man with 16 followed by S. Zan with 7, K. Ludwig with 6, and K. Urba and M. Berman both with 2 each.

St. Mary's Heavyweights lost their first conference game that night by the score of 55-40. George White was far ahead as high point man with 24, followed by Bob Hellriegel with 7, Les Golden with 4, Tom Leonard with 3 and Terry Loftus and Doug Slusarski both with 1 each.

St. Joe had W. Kendziora as high point man with 19 followed closely by R. Garza with 15, R. Kendziora with 8, C. Peazza with 7, M. Lind with 4 and J. Vassar with 2.

Celts' bench key to victory

NEW LENOX — In sports a good bench is always an asset. Providence proved that Friday as the Celts bench sparked an 82-62 win over Luther North in a Private league cage contest.

The Celts, who rolled up their highest point total of the season are no 3-3 in league play a 7-7 for the season.

Coach Pat Sullivan who stresses the idea of equal time, and that the Celts are a 10-man team saw a reserve trio of Larry Lee, Mike Guisti and Roy King score 22 points and pull in 19 rebounds.

Sullivan also went to his bend for another reason, by the end of the first half four of his starters had four fouls on them.

Providence started slow, and wasn't rebounding in the first quarter as Luther took a 19-18 lead. Midway through the second quarter the Celts came alive hitting 12 of 23 tries and grabbing 13 rebounds. Luther also committed seven turnovers in the second period and the Celts turned six of the seven into points, to move to a 45-38 halftime lead.

Guisti hit the last basket of the half, and this plus his rebounding gave the Celts momentum which they never lost. Lee, known for his defensive skills contributed 13 points. Steve Gant paced the Celts with 20 points. Lee was second in scoring followed by Joe Prieboy with 12 and Ken Carruthers with 11.

Friday the Celts host Private League Leader Chicago Christian at 8 p.m. Christian won the first meeting between the two teams, 84-66.

Sandburg tops two cage foes

ORLAND PARK — Although it started out shaky, the past weekend was the most productive one this season for the Sandburg basketball team. The Eagles gained successive victories on Friday and Saturday.

The first victory was a squeaker over winless Evergreen Park. The Eagles tied it up on Jim Loukota's basket with 13 seconds remaining in the last quarter.

Loukota also made the only basket by either team in the three-minute overtime to put the game away for the Eagles, 52-50.

The game was a seesaw battle all the way with the lead changing hands many times in the second and third quarter especially. Jim Koranda led the Eagles in scoring with 13 points, and was closely followed by Art Crummie's 12 points and Dave Lumley and Randy Bengston with nine points each. The victory ran the Eagles conference record to 3-4.

Saturday's victory over Downers Grove South came a little easier to the Eagles as they hold the upper hand 75-66. Guard Jim Koranda amassed a total of 26 points to lead all scorers. Dave Lumley, Art Crummie, and Greg Grimm added to the total with 17, 15, and nine points respectively. This victory upped the Eagles overall record to 5-9 and ran their victory string to three games. Extending that victory streak this coming weekend will be pretty tough as the Eagles travel to Lincoln-Way High. The Knights are currently tied for first place in the conference with Homewood.

The Knights feature a 6-5" center in Terry Ryan who has been averaging over 20 points per game.

Arbor Park pacing grade school league

ORLAND PARK — In S.W.I.C. Action last week, Arbor Park's lightweights served notice to the rest of the league that they are the team to beat this year.

Dave Smykowski led Arbor with 12 points in a 25-21 victory over Orland Park. Jerry Steinborn and Bill Kacerovskis had eight and seven points for Orland.

Conrady romped over Tinley Central's lights 41-24 with the aid of Tim Borden's 14 points. Don Westerhansen poured in 18 points for Tinley in a losing effort.

St. Michael's held Kirby to two points in the second half and won going away 46-21. Bill Lyons and Dan Rentz combined for 23 points for St. Mikes and Tom Mc-

Eagle matmen winning again

By Dave Lumley

ORLAND PARK — Carl Sandburg's wrestlers snapped their three game losing streak in fine fashion last Thursday by knocking off first place, undefeated Evergreen Park.

The final score was 23-17. The "Man of the hour" as Coach Don Schultz put it, was heavyweight Kirk Hurburt as he won 4-3 to clinch the meet for the Eagles.

Evergreen's record was 3-0 compared to Sandburg's 1-2 mark but the Eagles rose to the occasion to up their mark to 2-2 and 7-6 for the year.

98-pound Mark Butz started things out with an 8-4 win.

105-pounder Mike Bronson followed with an 5-2 victory. Sophomore Dennis Fitch, making his first varsity appearance, fell 5-0 at 112. At 119-pounds George Little lost 6-3, but 126-pound Dan Presbeterio responded with a 4-1 win.

At 132 Russ McGill dropped a 7-2 decision. Team leader John Walker then brought the Eagles back with a 9-2 win at 138.

Duane Capodice tied Evergreen's Tim Maday 5-5 at 155.

Joe Tholl, who coach Schultz terms the "team's most improved wrestler," won again 9-4. Jim Webster dumped his opponent 8-1 at 167 before Dave Kettman was pinned by Evergreen's Mike Galloppo. Then Hurburt won his match to decide the meet. The Eagles, with spirits high again, will meet two very tough teams this weekend in Rich East and Waukegan.

Intire was high for Kirby with six.

Palos rounded out the lightweight action by ripping Arbury Hills 38-16. Tim Canny led a balanced attack with eight for Palos while John Crones counted six for Arbury Hills.

In heavyweight action, Orland Park shocked Arbor Park with a 43-40 come from behind victory. In the first half, Mike Farragia and Joe Holzgethan had hot hands as Arbor raced to a 23-7 lead.

Orland rallied but left the floor with a 23-13 deficit at halftime. In the second half it was all Orland as Jeff Adams took charge and Jamie Stawartz came to life. Adams had 13 points and Stawartz 15 to lead the Eagles while Farragia and Holzgethan hit for 18 apiece for Arbor.

Conrady kept pace by topping Tinley Central 52-35. Mark Bierovic led Conrady's usual team effort with 12 points. Paul Schiefelbein hit 11 points for Tinley Central.

Palos was an easy 54-32 winner over Arbury Hills. Leonas popped in 10 and Mike Malkiewicz added 8 to lead Palos scorers. Chip Terracina was high for Arbury Hills with 11.

Kirby handed St. Michael's a 48-37 defeat to complete last week's action. Doug Lindeman ripped the nets for 18 points with Bill Harlan and Doug Horton combining to add 17 more to the Kirby cause. Ray Mollo led all scorers this week with 23 points for St. Mikes.

Oakview Jr. wins wrestling tourney

NEW LENOX — Oakview Junior High School was winner at the Joliet Park District Third Annual Wrestling Tournament.

There were more than 450 wrestlers and 20 teams represented. New Lenox was first with 66 points followed by Rock Falls with 43 points and West View with 41 points.

New Lenox placed seven wrestlers in the finals with First place trophies being awarded to Mark Criscione, 72 lbs.; Clint Plante, 107 lbs. and Craig Huttenhoff, 92 lbs.

Second place positions were won by John Jackson, 99 lbs.; Chip Connor, 114 lbs.; Mike Mager, 134 lbs. and Paul Nelson.

Third place trophies were won by Dave Jeffrey, 72 lbs.; Bill Tyner, 127 lbs. and Tim O'Meara, 140 lbs.

Sports Shorts

CHICAGO — Tinley Park will be one of the 28 hosting district schools when district wrestling competition gets underway Feb. 10.

Tinley will compete and host an 11 team field. Sandburg wrestlers will compete in the nine team Evergreen Park district.

First and second place finishers at each weight in district competition will advance to sectional competition Feb. 18-19.

First and second place wrestlers in each sectional weight class will advance to state competition Feb. 25-26 at Illinois State University, Normal, Ill.

Competing in the Tinley district are: Tinley Park, Joliet Catholic, Joliet Central, Joliet East, Joliet West, Lockport Central, Minooka, Lincoln-Way, Providence, Oak Forest and Wilmington.

Qualifying wrestlers will compete in the Naperville sectional with qualifiers from the Glenbard East and St. Charles Districts.

Competing in the Evergreen Park District are: Sandburg, Luther South, Quigley South, Evergreen Park, Oak Lawn, Richards, Chicago Christian, and Stagg.

Evergreen wrestlers will advance to the Oak Lawn Sectional with wrestlers from Rich East, Thornton Fractional North and Proviso West Districts.

PLAINFIELD — Lincoln-Way won three individual titles, and finished in second place in the four team Plainfield wrestling tournament Saturday.

Joliet Central had six individual championships, and won the team title with 91 points. Lincoln-Way was second with 82 points. Fenger of Chicago was third with 65 points, and Plainfield, fourth with 27 points.

Dean Hobson, Mike Bachmann and Russ Raizer were champs for the Knights. Bachmann won the 126-pound title in the final 14 seconds of the championship bout, 3-2.

Hobson at 112 and Raizer at 132 won easily in their title bouts.

Earlier in the week the Knights lost a 31-16 meet to a powerful Rich East team.

TINLEY PARK — For only the second time this season Tinley Park wrestlers were on the losing end of a score last week. The Titans lost a 29-20 decision to Hillcrest.

The Titans, however, still had a winning week beating Eisenhower, 23-17, and Richards, 36-15. Tinley now has a 9-2-1 season mark and is 3-1-1 against Southeast Conference Foes.

Against Richards Mel Sneddon got the first Titan points with a pin at 112-pounds. Mike Melvan won 13-6 at 119, and Rick Zolner won 12-1 at 132.

Randy Reagan pinned at 138, and Bob Martin was a big winner, 12-0, at 155. George Miles, won 12-2 at 167, and Mike Meloy was a 6-0 winner at 185. Rich Aggen won on a forfeit at heavyweight.

TINLEY PARK — Lack of consistency continued to plague the Tinley Park basketball team last week as the Titans fell 71-65 to Hillcrest in a Southeast Conference game.

The Titans, who had been a strong title contender for the title last season, and had a number of returning veterans have proved a disappointment this season. Going into this weeks action Tinley Park is 1-4 in conference and 2-6 for the season.

The Titans have displayed a balanced scoring attack but don't have enough scoring, and can't seem to put it all together at one time.

Randy Lindstrom was the teams top scorer with 14 points followed by Jack Triesenberg with 11 and Steve Bettenhausen. Hillcrest led 18-14 at the end of the first quarter, and 32-26 at the half. The Titans moved within two 48-46 at the end of the third quarter, but then faded.

OAK FOREST — Height is the usually the name of the game in basketball lacking height the Oak Forest Bengals are having a tough time on the basketball court this year. Playing against much taller soph, and JV squads the Bengals have a 1-5 record this year.

Last week the Bengals lost a 71-56 decision to Kankakee, in a game where height made the difference. Allen Shepard set the scoring pace with 21 points.

NEW LENOX — Two outings resulted in a pair of losses for the Lincoln-Way gymnastics team last week. The Knights fell to Thornridge 107.68-84.81. Earlier in the week they dropped a 104.53-90.35 match to Naperville.

The defeats give the Knights a 3-4 season mark. Against Thornridge Lincoln-

Way had three winners. Gene Warner won the sidehorse, Mike White on the trampolines and Mike Ward on the Parallel bars.

ORLAND PARK — The little guys from Orland Park's OYA basketball league rolled through their eighth week of competition without many surprises as far as game results go.

League power, IGA, continued to roll along undefeated with a 32-19 win over Three Sons.

Sunrise Heating burnt the Lions Club 66-10 to remain only one game back of IGA.

Plaza Barbers handed Dick's Shell it's eighth straight loss 31-15 and Cooper Show Ford dumped State Farm 38-20 to also remain only one game back of leader IGA. Orland State Bank beat Rafacz 28-23. In two weeks the playoffs will begin.

TINLEY PARK — As a team the Tinley Park swimmers have been having a hard time winning this year, but individuals continue to turn in some good performances. The Titans lost their eight outing in nine tries this season 63-32 to Hillcrest last week, but had three individual winners.

Competing in the Hinsdale South Invitational the Titans came in ninth in a 12 team field with a total of three points. Fred Flor turned in the best Titan performance in the Hinsdale action, taking fifth in the 200-yard breaststroke.

Against Hillcrest Jeff Muys was a double winner. Muys won the 200-yard freestyle in a time 2:02.1 and the 400-free style in a time of 4:36.5.

The other Titan winner was Flor who turned in a winning time of 1:09.0 in the 100-yard breaststroke. Friday, Jan. 21, the Titans met Thornton Fractional South in Lansing, and Saturday host Hinsdale South at 2 p.m.

Conservation Department

Did you know we've consumed more energy in the last 30 years than in all previous human history? Did you also know that if we continue at the present rate, we'll exhaust some of our natural fuels in your lifetime and most of them during your grandchildren's?

The history of man has been the harnessing of natural forces for new sources of power. Water, wind, atoms, even the sun.

The long-term survival of man depends on an inexhaustible energy source. Conventional power plants use non-renewable fossil fuels—coal, oil, gas—for power. These same fuels are also used for transportation, manufacturing, heating. The faster we grow, the faster we deplete our supply.

Commonwealth Edison has known this for a long time. That's why we got into nuclear power early. Dresden, the world's first privately financed nuclear power plant, has been generating power for over 11 years. Two additional units are

now in operation at Dresden. Four more nuclear-powered generating units will be in service soon—two at Quad Cities and two at Zion. And more are planned.

We know the world's future energy will have to be nuclear. And we're building for that future, today.

Commonwealth Edison

Permits total 859

TINLEY PARK — According to trustee Merle Landau, permits and license committee, Tinley Park issued 831 new home permits, 22 apartment building permits, five new business, and one industrial building permit for 1971. Landau made the announcement at the Monday village board meeting.

Director of public works Bob Powers reported that the village had some trouble over the weekend with frozen water lines. Powers said that the problem resulted partly from changes made during the construction of the new municipal building (removal of insulation from a wall) and would probably never happen again. During the discussion, the board decided that inspections on the new municipal building should be made by Powers and building commissioner Chester Marshall. The two departments will give their opinion to village architect Robert Curtis.

Trustee Pat Rae, public service, discussed a bill from the Tinley Park Animal Hospital for \$1,200 for a two year period. The hospital has had an agreement with the village to handle any stray animals picked up by the police. Police chief, Kenneth O'Brien, according to Rae does not have the amount in his budget.

Mayor John Dunne, and other board members felt that the bill should be checked further with receipts from the Animal Welfare Society, who picks the animals up from the hospital. Dunne said that he understood the original agreement was that owners of the animals were to pay the hospital fees, and not the village. Rae's committee will check further into the matter.

Chief O'Brien added that he has requested a monthly bill from the hospital. Rae also submitted eight ordinances to the village attorney Ed Richardson for his approval.

Trustee Carl Montecki will receive an allotment from the public works department budget for a \$2,000 study of drain basins and further studies regarding flooding control.

The board passed on trustee Richard Durkin's motion that they accept the recommendation of the village engineering firm R.W. Robinson, for the design of the new "Force Main" to be installed down 80th Avenue by Allied Homes. Durkin

also asked for a cost analysis of the building commission to determine if a full time secretary would remain within the realm of the budget. Trustee Kenneth Fulton said that the building commission must remain self-supporting. This discussion ensued after building commissioner Marshall read a report stating that the work of the department had more than doubled in the last year.

Chief O'Brien said according to civil service exams and the recommendation of the civil board Sergeant Walter Barton had been promoted to lieutenant, and officer R. Guest, to sergeant.

O'Brien added that contrary to some recent comments, "There is no quota set for Harlem Avenue ticketing." Ticketing on Harlem Avenue is strictly a court matter, according to O'Brien.

Trustee Robert Mason commended the 40 people working on planning and development for the village. Mason said that many builders and developers had commented on the fine work of the men serving on the plan commission, and also on the help given them by public works director Powers.

Mason asked that the board recommend to the zoning board of appeals the rezoning of two parcels of land; the northwest corner

of 171st and Harlem Ave. to PUD commercial (and the vacating of Donna Drive) and the Southwest corner to commercial. The board accepted the recommendation.

The village engineer on the recommendation of Durkin will proceed with the work on the new four million gallon reservoir, pump house, and meter vault to be installed at 159th and Harlem. Durkin said the plans should be ready, if and when the village decided to enter into an agreement with Oak Lawn for Chicago water. Procedure of internal works on the water lines will depend on the outcome of the engineer's study.

Village clerk William German, upon the recommendation of the mayor will investigate the matter of a new village census. Dunne said that because of motor fuel tax fund allotments per populus it would probably benefit the village to have another count.

German announced that voting registration had closed Jan. 15 with 236 new voters.

Finance chairman Fulton will be checking into the present manner of paying village bills. According to Fulton and Dunne the system may be slightly antiquated due to the growth of the village.

In The News

MOKENA — The village board has purchased a new Ford tractor, 43.8 horsepower, at a cost of \$5,738.22.

Trustee Kenneth Warning reported receiving two bids, one from Calumet Industrial Equipment Co., and one from Cooper-Hoist Ford Agency of Mokena. The Calumet first enclosed two bids, both for John Deeres. They asked \$5,526.65 for a 43 h.p. tractor and \$7,348.75 for a 59 h.p. job.

The committee recommended that the tractor offered by Cooper-Hoist be purchased. It has more equipment included in the price than did the cheaper of the two John Deeres. Service would be handier too for service, it was pointed out.

Bids on the remainder of work to be

done at the new polishing pond will be taken by the board at its first meeting in February. This will be Feb. 8. Village Engineer George Barber is preparing the specifications.

TINLEY PARK — The Police Department took the first place trophy in the monthly South Suburban Pistol League contest.

Members of the team that brought home the trophy were Sgt. Dean Utter, Officers Andy Merenowicz, Bill Kosinski and Ron Wagner.

Individual trophies were awarded to radio operator Mrs. Patricia Buck, auxiliary police officer Dave Winder and officer Andy Merenowicz.

The Will County landscape took on a winter blanket last week for the first time this season. The late snow brought with it extremely cold temperatures (nearly 20 below with 40 below chill factors) and beautiful still life landscape scenes for photographers. Editor Glenn Logan captured this chilling black and white contrast in Frankfort.
